**To:** All Prospective Contractors**RE:** Mobile Shredding Services, DRR26040**Addendum No. 1  
To the Invitation for Bids (IFB)**

CalRecycle is issuing Addendum No. 1 to provide the following information:

- Attachment 1 contains a list of all businesses that have expressed an interest in the contract to date.
- No revisions have been made to the IFB within the electronic bid system, as noted in the Summary of Changes document which is available at:  
[https://app.authorium.com/public/online\\_submissions/6e032c76-e677-4e49-aa7b-48f4355f1a35](https://app.authorium.com/public/online_submissions/6e032c76-e677-4e49-aa7b-48f4355f1a35)
- The following questions were received during the Questions and Answers period.

|   |   |                                                                                                                                                                                                                               |
|---|---|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Q | 1 | Is the budget on the contract annually or for the 36 month life of the contract?                                                                                                                                              |
| A | 1 | The budget of \$33,500.00 is the maximum total for the life of the contract. The budget breakdown for the each is Fiscal Year (FY) is as follows: FY 2026/27-\$11,500.00; FY 2027/28-\$11,000.00; and FY 2028/29-\$11,000.00. |
| Q | 2 | Can you tell me who holds the current contract, what the value of the contract is and how much has been paid out under that contract?                                                                                         |
| A | 2 | Viking Shred, LLC, holds the current contract. The total awarded amount of the contract is \$28,000.00. Total payments made to date against this contract is \$8,260.00.                                                      |
| Q | 3 | How many containers are serviced on average at the headquarters location?                                                                                                                                                     |
| A | 3 | CalRecycle's headquarters typically services 1 to 10 bins during the monthly scheduled pickup. During special projects or office moves, this number can increase to 15 bins or more in a single month.                        |

|   |   |                                                                                                                                             |
|---|---|---------------------------------------------------------------------------------------------------------------------------------------------|
| Q | 4 | How many times have San Diego, Cerritos and Riverside been serviced under the current contract?                                             |
| A | 4 | Under the current contract, CalRecycle's field offices were serviced as follows: San Diego-1 time, Cerritos-8 times, and Riverside-7 times. |

All other terms, conditions, and requirements of this IFB will remain the same.

If you have any questions relating to this solicitation process, please contact me by e-mail at [contracts@calrecycle.ca.gov](mailto:contracts@calrecycle.ca.gov).

Sincerely,

*Marie Nudi*
