

Waste Reduction Awards Program (WRAP)
WRAP Winners Listing for 1993

The Waste Reduction Awards Program (WRAP) was administered by CalRecycle (formerly the California Integrated Waste Management Board) from 1993-2011. WRAP provided an opportunity for California businesses and nonprofit organizations to gain public recognition for their outstanding waste reduction efforts and lets the community know the business takes waste reduction seriously. WRAP evaluated the waste reduction, procurement, and education activities in the internal business practices of the applicant, not its services or products.

St. John's Pleasant Valley Hospital

St. John's Pleasant Valley Hospital is a full service Acute Care and Skilled Nursing Facility that provides a full range of healthcare services to the community. Pleasant Valley donates their unused and reusable medical supplies to developing eastern block countries. To minimize waste and save landfill space, Pleasant Valley also donates outdated patient linen to our local community outreach program. Pleasant Valley Hospital is on target to recycle at least 5% more paper and cardboard than last year. As environmental awareness increases, Pleasant Valley's recycling efforts increase resulting in significant savings in waste removal costs.
