

Recycled Product Trade Shows

5th Annual Recycled Product Trade Show

March 10-11, 2004

Sacramento Convention Center

The 2004 show highlighted sustainable building products and services. The Board scheduled the trade show to coincide with the [California Resource Recovery Association \(CRRA\) Training Conference--Tools for Change--March 8-10, 2004](#). CRRA provided certification for participants in prescribed educational sessions at this year's conference.

Featuring Environmentally Preferable Products

Sacramento Convention Center
March 10-11, 2004

- [Exhibitors](#)

Additional information is available on the [trade show web site](#).

Sponsors

Diamond (\$5,000 or more)

- Alameda County Waste Management Authority
- California Integrated Waste Management Board
- California Resource Recovery Association

Platinum (\$2,500)

- E-Coat Recycled Paint Products
- Hamilton Manufacturing
- Patagonia

Gold (\$1,500)

- A.C. Martin-Metro Maintenance
- Direct Access International

Silver (\$1,000)

- AAA Environmental, Inc.
- Recycle Free, Inc.

Bronze (\$500)

- Atlas Disposal Industries
- Cornflower Farms
- Georgia-Pacific
- International Laser & Inkjet Group

Prize Donors

- Faro Communications, Inc.

- International Laser & Inkjet Group
- Rainbow Environmental Products
- Visions Recycling, Inc.
- Weisenbach Specialty Printing
- Windsor Barrel Works
- XEL Imaging Systems

California Environmental Protection Agency Secretary Terry Tamminen (right) and California Integrated Waste Management Board Chair Linda Moulton-Patterson "open the door to a healthier environment" by kicking off the 5th Annual Recycled Product Trade Show.

Hundreds of buyers, contract managers, specification writers, and product users attend from throughout the public and private sectors.

Buyers and suppliers discuss environmentally preferable products and services.

Patty Wohl, the Deputy Director of the California Integrated Waste Management Board's Waste Prevention and Market Development Division, presents PROMOCO with their exhibitor ribbon.

California Integrated Waste Management Board Member Cheryl Peace discusses tire-derived products at the U.S. Cold Patch booth.

California Integrated Waste Management Board Member Carl Washington visits with Recycle Free, Inc., one of the 5th show's sponsors.

California Integrated Waste Management Board Member Michael Paparian thanks the City of Sacramento for its participation.

Bill Orr, Manager of the California Integrated Waste Management Board's Recycling Technologies Branch, presents an exhibit award to Weisenbach Specialty Printing.

Featuring Environmentally Preferable Products
Sacramento Convention Center
March 10-11, 2004

The busy trade show floor at the 5th Annual Recycled Product Trade Show.

California Integrated Waste Management Board staff member Steve Boyd introduced hundreds of interested attendees to the recycled-content products that are available from the RecycleStore.

California Integrated Waste Management Board used oil and tire staff, such as Cheryl Williams (left) and Boxing Cheng (right), stayed busy throughout the show sharing information with attentive attendees.

Show sponsors, like Patagonia, receive prime booth locations.

Attendees visit the Air Resources Board's Ride and Drive Clean Air Vehicles outdoor presentation.

Attendee Dana Brazelton receives one of many fabulous door prizes.

Fifth Annual Recycled Product Trade Show, April 2003

Survey Results

We survey exhibitors and attendees after each trade show to get feedback and continually improve the show.

Exhibitors had great things to say about the 5th Annual Recycled Product Trade Show...

- Three-quarters said the show was an above-average or excellent success for them.
- One-quarter received more than 40 sales leads; one-third received 20-40 sales leads; and another one-quarter received more than 10 sales leads.
- One-third reported between \$10,000 and \$50,000 in potential sales; another 15 percent reported more than \$50,000 in potential sales.
- More than one-third made between \$10,000 and \$50,000 in actual sales from the 4th Annual Recycled Product Trade Show; 5 percent made more than \$50,000 in actual sales.
- "I think this is one of the best shows and I look forward to many more shows."

What exhibitors liked most about the show:

- Excellent networking and good contacts.
- The professionalism, foot traffic, attendance, and diversity.
- Show was well planned and very organized.
- Opportunities to speak directly with California Integrated Waste Management Board Members.
- The exhibitor reception and show hours.
- Attendance and interest of attendees.
- "This is truly the best, most professional, and highly targeted show we have attended all year."

Attendees also value the show...

- Two-thirds of attendees have purchased products from prior trade show exhibitors.
- Three-fourths of attendees will purchase products from 5th show exhibitors.
- Attendees are buying millions of dollars of products from trade show exhibitors throughout the year.

What attendees liked best about the show:

- Presentation stage, new products, and vendors.
- Being able to speak with the sales personnel and management of companies at their booths.
- Networking connections, product samples, and innovative ideas.
- Cutting edge technology and product development.
- Seeing businesses succeed in developing new products.
