TERMS OF AGREEMENT

WHEREAS, the Department of Resources Recycling and Recovery (CalRecycle) has established regulations applicable to the Grantor in Title 14, California Code of Regulations (CCR), Division 7, Chapter 6, Article 10, requiring that an operator of a major waste tire facility shall demonstrate financial responsibility for bodily injury and/or property damage to third parties caused by accidental occurrences arising from the operation of the facility, and

WHEREAS, the Grantor has elected to establish a trust to assure all or part of such financial responsibility for the major waste tire facility or group of major waste tire facilities identified herein, and

WHEREAS, the Grantor, acting through its duly authorized officers, has selected the Trustee to be the trustee under this agreement, and the Trustee is willing to act as trustee,

NOW THEREFORE, the Grantor and Trustee agree as follows:

Section 1. Definitions. As used in this Agreement:

- (a) The term "Grantor" means the operator who enters into this Agreement and any successors or assigns of the Grantor.
- (b) The term "Trustee" means the Trustee who enters into this Agreement and any successor Trustee.
- (c) The term "Beneficiary" means third party claimants who satisfy the requirements either of Section 4(a) or 4(b) of this Agreement.
- (d) The term "Department of Resources Recycling and Recovery" or "CalRecycle" means the Department of Resources Recycling and Recovery or its designee.

Section 2. Identification of Facilities and Coverage Amounts. This Agreement pertains to the major waste tire facilities, coverage amounts, and determination of primary or excess coverage identified on attached Schedule A [for each facility included in Schedule A, list the major waste tire facility information system number, name, address, amount of per occurrence coverage and annual aggregate coverage or portions thereof if more than one instrument affords combined coverage as demonstrated by this Agreement, and whether the coverage is primary coverage or excess coverage].

Section 3. Establishment of Fund. The Grantor and the Trustee hereby establish a trust fund, hereinafter the

"Fund", for the benefit of any and all third parties injured or damaged by accidental occurrences arising from operation of the facility(ies) covered by this trust agreement, in the amounts of per occurrence _____ and _____ annual aggregate per facility for accidental occurrences, except that the Fund is not established for the benefit of third parties for the following:

(a) "Bodily injury" or "property damage" expected or intended from the standpoint of the Grantor. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

(b) "Bodily injury" or "property damage" for which the Grantor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the Grantor would have in the absence of the contract or agreement.

(c) Any obligation of the Grantor under a workers compensation, disability benefits or unemployment compensation law or any similar law.

(d) "Bodily injury" to:

(1) An employee of the Grantor arising out of and in the course of employment by the Grantor; or

(2) The spouse, child, parent, brother or sister of that employee as a consequence of (1) above.

This exclusion applies:

(1) Whether the Grantor may be liable as an employer or in any other capacity; and

(2) To any obligation to share damages with or repay someone else who must pay damages because of the injury.

(e) "Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to the Grantor. Use includes operation and loading and unloading. This exclusion does not apply to:

(1) Parking an "auto" on, or on the ways next to, premises the Grantor owns or rents, provided the "auto" is not owned by or rented or loaned to the Grantor.

(2) "Bodily injury" or "property damage" arising out of the operation of any of the equipment listed in paragraph (F)2. or (F)3. of the definition of "mobile equipment" (14 CCR, Section 18486).

(f) "Property damage" to:

(1) Property the Grantor owns, rents, or occupies;

(2) Premises the Grantor sells, gives away or abandons, if the "property damage" arises out of any part of those premises;

(3) Property loaned to the Grantor;

(4) Personal property in the Grantor's care, custody or control;

(5) That particular part of real property on which the Grantor or any contractors or subcontractors working directly or indirectly on the Grantor's behalf are performing operations, if the "property damage" arises out of those operations; or

(6) That particular part of any property that must be restored, repaired or replaced because the Grantor's work was incorrectly performed on it.

The Fund is established initially as consisting of the property (cash or securities), which is acceptable to the Trustee, described in Schedule B attached hereto. Such property and any other property subsequently transferred to the Trustee is referred to as the Fund, together with all earnings and profits thereon, less any payments or distributions made by the Trustee pursuant to this Agreement. The Fund shall be held by the Trustee, IN TRUST, as hereinafter provided. The Trustee shall not be responsible nor shall it undertake any responsibility for the amount or adequacy of, nor any duty to collect from the Grantor, any payments necessary to discharge any liabilities of the Grantor established by CalRecycle.

Section 4. Payment for Bodily Injury or Property Damage. The Trustee shall satisfy a third party liability claim by making payments from the Fund only on receipt of one of the following documents:

(a) Certification from the Grantor and the Beneficiary that the liability claim should be paid. The certification must be worded as follows:

CERTIFICATION OF VALID CLAIM

The undersigned, as parties [Grantor] _____ and [Name and Address of Beneficiary(ies)] _____, hereby certify that the claim of bodily injury and/or property damage caused by an accidental occurrence arising from the operation of [Grantor's] _____ major waste tire facility should be paid in the amount of \$ ____.

_____ Grantor's Signature	_____ Notary	_____ Date
_____ Claimant(s) Signature	_____ Notary	_____ Date

(b) A valid final court order establishing a judgment against the Grantor for bodily injury or property damage caused by accidental occurrences arising from the operation of the Grantor's facility or group of facilities.

Section 5. Payments Comprising the Fund. Payments made to the Trustee for the Fund shall consist of cash or securities acceptable to the Trustee.

Section 6. Trustee Management. The Trustee may invest and reinvest the principal and income of the Fund and keep the Fund invested as a single fund, without distinction between principal and income, in accordance with general investment policies and guidelines that the Grantor may communicate in writing to the Trustee from time to time, subject, however, to the provisions of this Section. In investing, reinvesting, exchanging, selling, and managing the Fund, the Trustee shall discharge his or her duties with respect to the trust fund solely in the interest of the potential beneficiaries and with the care, skill, prudence and diligence under the circumstances then prevailing that persons of prudence, acting in a like capacity and familiar with such matters, would use in the conduct of an enterprise of a like character and with like aims; except that:

(i) Securities or other obligations of the Grantor, or any other operator or owner of the facilities, or any of their affiliates as defined in the Investment Company Act of 1940, as amended, Title 15 U.S.C. 80a-2(a), shall not be acquired or held, unless they are securities or other obligations of the federal or state government.

(ii) The Trustee is authorized to invest the Fund in time or demand deposits of the Trustee, to the extent insured by an agency of the federal or state government; and

(iii) The Trustee is authorized to hold cash awaiting investment or distribution uninvested for a reasonable time and without liability for the payment of interest thereon.

Section 7. Commingling and Investment. The Trustee is expressly authorized in its discretion:

(a) To transfer from time to time any or all of the assets of the Fund to any common, commingled or collective trust fund created by the Trustee in which the Fund is eligible to participate, subject to all of the provisions thereof, to be commingled with the assets of other trusts participating therein; and

(b) To purchase shares in any investment company registered under the Investment Company Act of 1940 as amended, Title 15 U.S.C. 80a-1 et seq., including one that may be created, managed, underwritten, or to which investment advice is rendered or the shares of which are sold by the Trustee. The Trustee may vote such shares in its discretion.

Section 8. Express Powers of Trustee. Without in any way limiting the powers and discretion conferred upon the Trustee by the other provisions of this Agreement or by law, the Trustee is expressly authorized and empowered:

(a) To sell, exchange, convey, transfer, or otherwise dispose of any property held by it, by public or private sale. No person dealing with the Trustee shall be bound to see to the application of the purchase money or to inquire into the validity or expediency of any such sale or other disposition;

(b) To make, execute, acknowledge, and deliver any and all documents of transfer and conveyance and any and all other instruments that may be necessary or appropriate to carry out the powers herein granted;

(c) To register any securities held in the Fund in its own name or in the name of a nominee and to hold any security in bearer form or in book entry, or to combine certificates representing such securities with certificates of the same issue held by the Trustee in other fiduciary capacities, or to deposit or arrange for the deposit of such securities in a qualified central depository even though, when so deposited, such securities may be merged and held in bulk in the name of the nominee of such depository with other securities deposited therein by another person, or to deposit or arrange for the deposit of any securities issued by the United States Government, or any agency or instrumentality thereof, with a Federal Reserve Bank, but the books and records of the Trustee shall at all times show that all such securities are part of the Fund;

(d) To deposit any cash in the Fund in interest-bearing accounts maintained or savings certificates issued by the Trustee, in its separate corporate capacity, or in any other banking institution affiliated with the Trustee, to the extent insured by an agency of the federal or state government; and

(e) To compromise or otherwise adjust all claims in favor of or against the Fund.

Section 9. Taxes and Expenses. All taxes of any kind that may be assessed or levied against or in respect of the Fund and all brokerage commissions incurred by the Fund shall be paid from the Fund. All other expenses incurred by the Trustee in connection with the administration of this Trust, including fees for legal services rendered to the Trustee, the compensation of the Trustee to the extent not paid directly by the Grantor, and all other proper charges and disbursements of the Trustee shall be paid from the Fund.

Section 10. Annual Valuation. The Trustee shall annually, at least 30 days prior to the anniversary date of establishment of the Fund, furnish to the Grantor and CalRecycle a statement confirming the value of the Trust. Any securities in the Fund shall be valued at market value as of no more than 60 days prior to the anniversary date of establishment of the Fund. The failure of the Grantor to object in writing to the Trustee within 90 days after the statement has been furnished to the Grantor and CalRecycle shall constitute a conclusively binding assent by the Grantor, barring the Grantor from asserting any claim or liability against the Trustee with respect to matters disclosed in the statement.

Section 11. Advice of Counsel. The Trustee may from time to time consult with counsel, who may be counsel to the Grantor, with respect to any question arising as to the construction of this Agreement or any action to be taken hereunder. The Trustee shall be fully protected, to the extent permitted by law, in acting on the advice of counsel.

Section 12. Trustee Compensation. The Trustee shall be entitled to reasonable compensation for its services as agreed upon in writing from time to time with the Grantor.

Section 13. Successor Trustee. The Trustee may resign or the Grantor may replace the Trustee, but such resignation or replacement shall not be effective until the Grantor has appointed a successor trustee and this successor accepts the appointment. The successor trustee shall have the same powers and duties as those conferred upon the Trustee hereunder. Upon the successor trustee's acceptance of the appointment, the Trustee shall assign, transfer, and pay over to the successor trustee the funds and properties then constituting the Fund. If, for any reason, the Grantor cannot or does not act in the event of the resignation of the Trustee, the Trustee may apply to a court of competent jurisdiction for the appointment of a successor trustee or for instructions. The successor trustee shall specify the date on which it assumes administration of the trust in a writing sent to the Grantor, CalRecycle, and the present Trustee by certified mail ten days before such change becomes effective. Any expenses incurred by the Trustee as a result of any of the acts contemplated by this Section shall be paid as provided in Section 9.

Section 14. Instruction to the Trustee. All orders, requests, and instructions by the Grantor to the Trustee shall be in writing, signed by such persons as are designated in the attached Exhibit A or such other designees as the Grantor may designate by amendment to Exhibit A. The Trustee shall be fully protected in acting without inquiry in accordance with the Grantor's orders, requests, and instructions. The Trustee shall have the right to assume, in the absence of written notice to the contrary, that no event constituting a change or a termination of the authority of any person to act on behalf of the Grantor or CalRecycle hereunder has occurred. The Trustee shall have no duty to act in the absence of such orders, requests, and instructions from the Grantor and/or CalRecycle, except as provided for herein.

Section 15. Notice of Nonpayment. If a payment for bodily injury or property damage is made under Section 4 of this trust, the Trustee shall notify the Grantor of such payment and the amount(s) thereof within five (5) working days. The Grantor shall, within one year of such payment, either make payments to the Trustee in amounts sufficient to cause the trust to return to its value immediately prior to the payment of claims under Section 4, or shall provide written proof to the Trustee that other financial assurance for operating liability coverage has been obtained equaling the amount necessary to return the trust to its value prior to the payment of claims. If the Grantor does not either make payments to the Trustee or provide the Trustee with such proof, the Trustee shall, within 10 working days after the anniversary date of the payment, provide a written notice of nonpayment to CalRecycle.

Section 16. Amendment of Agreement. This agreement may be amended by an instrument in writing executed by the Grantor, Trustee, and CalRecycle, or by the Trustee and CalRecycle if the Grantor ceases to exist.

Section 17. Irrevocability and Termination. Subject to the right of the parties to amend this Agreement as provided in Section 16, this Trust shall be irrevocable and shall continue until terminated at the written agreement of the Grantor, the Trustee, and CalRecycle, or by the Trustee and CalRecycle, if the Grantor ceases to exist. Upon termination of the Trust, all remaining trust property, less final trust administration expenses, shall be delivered to the Grantor. CalRecycle will agree to termination of the trust when the operator substitutes alternate financial assurance as specified in 14 CCR, 18488 or is released as specified in 14 CCR, 18499.

Section 18. Immunity and Indemnification. The Trustee shall not incur personal liability of any nature in connection with any act or omission, made in good faith, in the administration of this Trust, or in carrying out any directions by the Grantor or CalRecycle issued in accordance with this Agreement. The Trustee shall be indemnified and saved harmless by the Grantor or from the Trust Fund, or both, from and against any personal liability to which the Trustee may be subjected by reason of any act in conduct in its official capacity, including all expenses reasonably incurred in its defense in the event the Grantor fails to provide such defense.

Section 19. Choice of Law. This Agreement shall be administered, construed, and enforced according to the laws of the State of California.

Section 20. Interpretation. As used in this Agreement, words in the singular include the plural and words in the plural include the singular. The descriptive headings for each Section of this Agreement shall not affect the interpretation or the legal efficacy of this Agreement.
