

Recycled-Content Trash Bag Program Summary of Wholesaler Compliance: 2012 Report Year

The following summary is based on Plastic Trash Bag Certifications received by the Department of Resources Recycling and Recovery (CalRecycle) for the 2012 reporting period* and includes wholesalers that:

- Self-certified that they met the requirements of the law.
- Did not submit an annual certification by March 1 (and are therefore not in compliance).

*CalRecycle's database may not include all manufacturers or wholesalers that are subject to the law and who should submit the required certification. The law does not provide for extensions. Wholesalers not on this list, or who were nonresponsive, may certify for the next reporting year.
