

## 2016 Recycled-Content Trash Bag Program

### Manufacturer Compliance Report

The following summary is based on Plastic Trash Bag Certifications received by the Department of Resources Recycling and Recovery (CalRecycle) for the 2016 reporting period.\*

**Compliant Manufacturers:** Submitted self-certification, and met the requirements of the law.

**Non-Compliant Manufacturers:** The manufacturers listed in this section are non-compliant due to any of the following reasons: they did not self-certify or respond to CalRecycle's request to certify; self-certified but used insufficient percentage of Postconsumer Material; submitted the certification after the statutory deadline date; claimed an exemption and/or claimed non-compliance.

*\*CalRecycle's database may not include all manufacturers or wholesalers that are subject to the law and who should submit the required certification. **The law does not provide for extensions.** Manufacturers who are non-compliant, or who were non-responsive, may certify for the next reporting year.*
