

2016 Recycled-Content Trash Bag Program

Wholesaler Compliance Report

The following summary is based on Plastic Trash Bag Certifications received by the Department of Resources Recycling and Recovery (CalRecycle) for the 2016 reporting period*.

Compliant Wholesalers: Submitted self-certification and met the requirements of the law.

Non-Compliant Wholesalers: The wholesalers listed in this section did not submit their forms for the 2016 reporting year, submitted forms with insufficient information, or submitted their forms after the statutory deadline.

CalRecycle's database may not include all manufacturers or wholesalers that are subject to the law and who should submit the required certification. **The law does not provide for extensions. Wholesalers who are non-compliant, or who were non-responsive, may certify for the next reporting year.*
