GRANTS MANAGEMENT SYSTEM (GMS)

GMS is CalRecycle's web-based grant application and grant management system. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the grant

Grantees must [log into GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After login, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab** – shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab** – requests reimbursement.
- **Reports tab** – uploads required reports.
- **Interest** – reports earned interest on an advance payment.
- **Documents tab** – uploads other grant documents that are not considered supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.

Follow the instructions in GMS to work in the system. Use the information in the following sections to determine what reports, transactions, and supporting documents are required.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the access check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all

documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

PRIOR TO COMMENCING WORK

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor(s) (or subcontractor) to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor(s), signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [Section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor(s) or subcontractor(s).

If a (sub) contractor is placed on the [CalRecycle Unreliable List](https://www.calrecycle.ca.gov/Funding/Unreliability/) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate that contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's form web page](https://www.calrecycle.ca.gov/Funding/Forms/) (<https://www.calrecycle.ca.gov/Funding/Forms/>).

A scanned copy of the signed Reliable Contractor Declaration form must be uploaded in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the section above titled Grant Management System.

GRANT TERM, GRANT PERFORMANCE PERIOD, AND REPORT PREPARATION PERIOD

The Grant Term begins on July 1, 2019 and ends on October 29, 2020. Eligible program costs must be incurred after July 1, 2019 and before the Grant Performance end date.

The Grant Performance Period begins on July 1, 2019 and ends on June 30, 2020.

The Final Report and final Payment Request are due on October 29, 2020.

ELIGIBLE COSTS

All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget. To be eligible for reimbursement, costs must be incurred from July 1, 2019 and through June 30, 2019. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Eligible costs are limited to the following:

- Analysis/Evaluation/Testing/Demo (expenses related to analysis and testing, equipment calibration, certification, demonstrations, site studies and consultants).
- Compliance/Inspection/Visit/Enforcement (expenses related to legal counsel, inspection, enforcement, compliance and consultants).
- Education (expenses related to providing education and outreach materials to local jurisdictions, businesses and the public).
- Equipment (expenses related to the purchasing of tools, instruments, equipment, personal protection gear, tablets, and laptops as well as the maintenance of equipment essential for the inspection of solid waste facilities).

- Transportation (expenses related to inspections such as maintenance of LEA vehicles, fuel expenses, mileage).

INELIGIBLE COSTS

Any costs not specifically included in the approved Budget and not directly related to EA30 and the approved grant project are ineligible for reimbursement. Contact the Grant Manager if clarification is needed. Ineligible costs include, but are not limited to:

- Costs incurred prior to July 1, 2019 or after June 30, 2020, except for costs incurred to prepare the Final Report and final Reimbursement Payment Request, which are eligible for reimbursement during the Reporting Preparation Period.
- Any costs that are not consistent with local, state, and federal statutes, ordinances or regulations.
- Any food or beverages (supplied as part of meetings, workshops, training, or events).

- Any pre-paid expenditures for future goods or services delivered after the end of the Grant Performance Period. (Exemption: The Grant Manager may consider approving products purchased in full before the end of the Grant Performance Period but delivered after the Grant Performance Period if the delay is caused solely by the supplier and through no fault of the grantee. The grantee must request an exemption in writing and receive written approval from the Grant Manager.).

- Cleanup of illegal dumping.
- Costs currently covered or incurred under another CalRecycle loan, grant, grant cycle or contract.
- Landfill operations.
- Out-of-state travel.

- Purchasing or leasing of vehicles.
- Any other costs not deemed reasonable or related to the purpose of the grant by the Grant Manager.

BUDGET MODIFICATIONS

The approved budget in GMS represents the proposed expenditure plan of the grantee at the time the grant is awarded. A budget change is the adjustment of grant funds between the main budget categories as listed in the GMS application.

Any proposed revision(s) to the Budget must be submitted in writing and authorized in writing by the Grant Manager. The approval document should be retained by the grantee for audit purposes. See Audit Record/Access section of the Terms and Conditions (Exhibit A).

Prior to Advance Reconciliation or Requesting Reimbursement

The grantee must notify the Grant Manager of all budget changes, regardless of dollar amount, no later than October 29, 2020. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

REPORTING REQUIREMENTS

A Final Report is required by this Agreement; however, the Grant Manager may request a Progress Report at any time during the Grant Term. The reports must be current, include all required sections and documents, and must be approved by the Grant Manager before any Payment Request can be processed. Failure to comply with the specified reporting requirements may be considered a breach of this Agreement and may result in the termination of this Agreement or rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. Any problems or delays must be reported immediately to the Grant Manager.

FINAL REPORT

The Final Report is due no later than **October 29, 2020**, but may be submitted as soon as grant funds are expended. Failure to submit the final Payment Request with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

Payment requests must be submitted in GMS. For further instructions regarding GMS, including login directions, see the section above entitled, Grants Management System.

Advance Payments

Pursuant to Section 18093.1(b), CalRecycle may disburse up to 90 percent as an advance payment. The advance payment will not be processed until the previous cycle's advance payment is fully reconciled and any money owed is returned.

If the grantee requested an **Advance Payment**:

- The advance payment will be processed by the Grant Manager in the GMS - Grant Management section after the Grant Agreement is fully executed, the Payment Request form is approved, the previous cycle's advance has been fully reconciled and any money owed is paid to CalRecycle. The advance payment transaction will be visible to the grantee after the transaction is completed by the Grant Manager.
- Upon receipt of advanced grant funds, the grantee shall deposit and maintain until expended, all grant funds in an interest-bearing account within a federally insured financial institution. Grantee shall maintain a separate accounting system for the grant funds including the earned interest. Any earned interest must be tracked for reporting purposes as discussed in the **INTEREST** section below.
- The grantee must reconcile the approved advance amount in the GMS - Grant Management section by submitting a payment request including the final expenditure information.
 1. Go to the **Payment Request** tab.
 2. Click on the **Create a Payment Request** button.
 - Choose **Advance Reconcile** for the Transaction Type and enter the amount spent in each budget sub category. The approved advance

amount must be reconciled including the 10 percent withhold (total grant award).

- When the transaction is complete, click the **Save** button.
 - Account for interest following the instructions in the INTEREST section below.
3. Click the **Submit Transaction** button, located on the transaction page, to complete your payment request.

Note: The Final Report must be uploaded in the Reports tab in order for the Advance Reconcile to be approved.

Once 100 percent of the advance has been reconciled, the Grant Manager will release the 10 percent withhold to the grantee. The grantee does not need to submit a Grant Payment Request form for the 10% retention payment.

Grant funds must be spent in the following order:

1. Advance payment
2. Reimbursement payment (10 percent withhold)
3. Interest earned on advance payment, if approved by the Grant Manager

Any unspent grant funds or unspent earned interest must be returned to CalRecycle by the end of the Grant Term. Contact the Grant Manager to initiate this process.

 - Choose **Reimburse** for the Transaction Type and enter the amount spent in each budget sub category.

Note: A designee may sign on behalf of the grantee if a) authorized by the Resolution or Letter of Commitment, and b) a Letter of Designation has been provided to the Grant Manager.
