**NOTICE**

**To:** Private and Public Operators of Curbside Programs, Drop-off / Collection Programs, Community Service Programs, and Recycling Centers

**Subject:** Public Workshop: Rate Determination Survey Methodology  
Public Rate Hearing: January 1, 2019 Recycling Program Rates

The Department of Resources Recycling & Recovery (CalRecycle) will present a Rate Hearing and Methodology Workshop in **Riverside\***, on Thursday, October 25, 2018. CalRecycle will share, discuss, and explain the research and survey methods used to gather data and perform the statewide segregated and commingled rate studies. CalRecycle will also review, discuss, and explain proposed January 1, 2019 recycling rates for all recycling programs.

**Survey Methodology Workshop**

Pursuant to Public Resources Code Section 14549.5, CalRecycle will, through the Workshop, consult with private and public operators of curbside, drop-off / collection, community service, recycling center, and reverse vending machine programs regarding the size of the statewide sample, appropriate sampling methodologies, and alternatives to exclusive reliance on a statewide commingled rate. The research and survey methods used by CalRecycle will be presented, and questions, comments, and input will be addressed. Participants are also encouraged to present ideas for alternative rate determination methodologies at the Workshop.

Those who want to learn about the research and survey methods used by CalRecycle to gather the data used to calculate statewide commingled rates, refund values, the number of containers per pound, etc., are encouraged to attend the Workshop. We recommend that selected or alternate participants in the 2020 survey year attend in person or join the Webinar stream.

The Rate Determination Survey Methodology Workshop will be:

Thursday, October 25, 2018  
9:00 a.m. – 11:00 p.m.

Department of Resources Recycling and Recovery  
(CalRecycle) Riverside Office  
1955 Chicago Avenue, Suite 10  
Riverside, California 92507-2383

\* Please note this is a **Southern California** location for the Workshop

## **Rate Hearing**

Division 12.1, Chapter 4, Section 14549.5 (b) and (c) of the California Public Resources Code requires the Department of Resources Recycling and Recovery (CalRecycle) to conduct a public Hearing at least 60 days prior to establishing any new statewide commingled rates. CalRecycle is required to make available to the public, and any affected parties, our review of the statewide commingled rates and any proposed changes or recalculations.

The Rate Hearing will identify changes to statewide segregated and commingled rates, which are proposed to become effective January 1, 2019. There will also be an opportunity to ask questions regarding the calculation of statewide commingled rates.

The Rate Hearing will be:

Thursday, October 25, 2018  
11:15 a.m. – 12:00 p.m.

Department of Resources Recycling and Recovery  
(CalRecycle) Riverside Office  
1955 Chicago Avenue, Suite 100  
Riverside, California 92507-2383

*\* Please note this is a Southern California location for the Hearing*
