

## Local Government Waste Tire Amnesty Grant Program

### What is the Local Government Waste Tire Amnesty Grant Program?

The Local Government Waste Tire Amnesty Grant Program provides funding from the California Department of Resources Recycling and Recovery (CalRecycle) for date-specific events for the public and are not intended for the disposal of waste tires from waste tire generating businesses. Amnesty events either 1) allow citizens to bring waste tires to convenient locations for proper management up to twice per month per location or 2) can consist of a coupon program that allows citizens to bring in waste tires on specified days.

### Who Is Eligible to Apply for the Grant?

California jurisdictions including cities, counties, special districts, other political subdivisions and jurisdictions joined together by formal agreements, as well as Qualifying California Indian Tribes are eligible.

Grants will *not* be awarded to two agencies within the same jurisdiction (example: City of Sacramento Public Works Department and City of Sacramento Health Department).

Several jurisdictions may apply for a grant for a regional project and must designate a regional lead jurisdiction to act on behalf of all participating jurisdictions. Each jurisdiction may submit only one grant application. Therefore, if a jurisdiction submits an application as part of a regional program, it cannot apply

individually or as part of another regional program.

### What Cleanup Activities May this Grant Money Be Used For?

Eligible expenses include, but are not limited to:

- The cost of loading tires into transporting vehicles at waste tire amnesty events.
- The cost of transportation and disposal by an approved hauler, to an authorized solid waste tire facility.
- Any salaries and benefits for personnel who are involved in the administration, organization, and supervision of amnesty events.
- The development and distribution of educational materials or advertising of the amnesty events.

### How Much Money Can an Applicant Apply For?

Up to \$40,000 is available for a single jurisdiction and \$90,000 for a regional applicant.

### **Where Can I Find a Grant Application?**

The Application is online in CalRecycle's web-based Grants Management System (<https://www.calrecycle.ca.gov/Funding/GMS>).

The Tire Amnesty Grant is offered every two years in odd years and will have a two-year grant term.
