Signature:	Date:	Photos Attached (Please Circle) Yes No
------------	-------	--

Purpose of form: This form acts as a cover letter when forwarding "referral" tire enforcement cases to CalRecycle for enforcement follow-up.

Who uses this form? Waste Tire Enforcement Grantees

The following excerpt is taken from the Tire Enforcement Grant Procedures and Requirements Section located in the Grant Contract which describes when referrals should be made and what the referral shall include.

Grantee Referrals to CalRecycle for Further Enforcement

- 1) If a business is still in violation after three inspections/re-inspections have been conducted, the Grantee shall refer the business to CalRecycle for further enforcement actions.
- 2) The Grantee will refer all violations that are not resolved at the NoV level to CalRecycle within 30 days of the last inspection.
- 3) Referrals shall include a chronology of the enforcement history and / or statement of facts, photographs and copies of inspection forms or inspection form numbers. Referrals can be sent via e-mail or mail to the Field Staff Contact and their supervisor.
- 4) Once a facility has been referred to CalRecycle, all Grantee inspections will be coordinated through CalRecycle, until that facility is in compliance.
