Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and grant management system. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the grant

Grantees must [log into GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After login, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** button. The **Grant Management Module** includes the following sections:

- **Summary tab.** shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab.** Requests reimbursement.
- **Reports tab.** Uploads required reports.
- **Match.** Reports match requirement. Applicable for Legacy Disposal Site Abatement Partial Grant Program only. Not applicable to Illegal Disposal Site Abatement Grant Program.
- **Documents tab.** uploads other grant documents that are not considered supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.
- **Sites tab.** lists approved project sites.

Follow the instructions in GMS to work in the system. Use the information in the following sections to determine what reports, transactions, and supporting documents are required.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the access check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant, they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

Prior to Commencing Work

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor(s) (or subcontractor) to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor(s), signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [Section 17050 of Title 14](#) (www.calrecycle.ca.gov/Laws/Regulations/Title14/ch1.htm#ch1a5), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor(s) or subcontractor(s).

If a (sub) contractor is placed on the [CalRecycle Unreliable List](#) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate that contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's form web page](#) (www.calrecycle.ca.gov/Funding/Forms).

A scanned copy of the signed Reliable Contractor Declaration form must be uploaded in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the section above titled Grant Management System.

The Final Report and final Payment Request are due on **June 30, 2022**. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Eligible costs are limited to the following:

- Waste removal and disposal.

This includes any personnel costs incurred as a result of time an employee assigned to the project funded by the grant does not actually work on the project (e.g. use of accrued vacation, sick leave, etc.).

- Expenses for services rendered or goods purchased prior to the date indicated in the NTP, or any expenses incurred after the end of the Grant Term.

- Any other costs not deemed reasonable or related to the purpose of the grant by the Grant Manager.

Modifications

Any proposed revision(s) to the Work Plan and/or Budget must be submitted in writing and pre-approved in writing by the Grant Manager prior to grantee incurring the proposed expenditure. Proposed revisions must be clearly marked on the Work Plan and/or Budget and must be accompanied by a summary of proposed changes/modifications, including the justification(s) for the proposed changes. Costs based on the proposed revisions may not be incurred until Grant Manager approval. If approved, the grant manager will upload the final revised Work Plan and/or Budget to GMS. Proposed revisions may be submitted in conjunction with a Progress Report but cannot be submitted as part of the Progress Report. The approval document should be retained by the grantee for audit purposes. See Audit Record/Access section of the Terms and Conditions (Exhibit A).

Acknowledgements

The grantee shall acknowledge CalRecycle's support each time projects funded, in whole or in part, by this Agreement are publicized in any medium, including news media, brochures, or other types of promotional materials. The acknowledgement of

CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

Public Information

All documents submitted in relation to the grant, including, but not limited to, Payment Requests and Reports, become the property of CalRecycle and are subject to disclosure under the Public Records Act. Do not submit confidential information.

Site Access

Grantee shall allow CalRecycle and other state agency representatives to inspect the site cleanup and related work being performed at any time during the performance of the work and shall provide full access to all project records.

Change of Financial Condition

The grantee agrees to immediately notify the Grant Manager of any changes in the financial condition or circumstances that would make the owner and/or responsible party financially able to accomplish the required site cleanup without CalRecycle funds. This notification shall be required during the term of this Agreement. Changes in the financial condition of the owner and/or responsible party may negate the need for grant funds.

Interdepartmental Agreements

Agreements between departments or divisions of the same local jurisdiction or between jurisdictions participating in a regional grant agreement will not be recognized as subcontracts.

Cost Recovery

The grantee agrees to pursue cost recovery for funds expended on private properties to the extent possible, unless waived by CalRecycle. The grantee agrees to repay CalRecycle any funds collected through cost recovery, sale of lien properties, special tax assessments, or other methods of collection, less any reasonable administrative costs incurred by the grantee in obtaining repayment.

Sale of Property

If any of the public property(ies), remediated with grant funds, are sold within 12 months of completion of the cleanup, a portion of the proceeds from the sale shall be remitted to CalRecycle in an amount commensurate with that expended by CalRecycle to remediate the site.

Reporting Requirements

Progress Report(s) and a Final Report are required by this Agreement; however, the Grant Manager may request a Progress Report at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

Failure to comply with the specified reporting requirements may be considered a breach of this Agreement and may result in the termination of this Agreement or rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. Any problems or delays must be reported immediately to the Grant Manager.
