Fiscal Year _____

Enumeration of Solid Waste Handling/Collection Operators by Jurisdiction Per 14 CCR 18051(i) and 17332

LEA Jurisdiction	Hauler (Operator) Name	Contact Person	Public (PUB) or Private (PVT)	Office Address	City	St	Zip Code	Business Phone	Emergency Phone (If different)	# of Transfer Vehicles [1]	# of Packer Garbage Trucks [2]	# of Recycling Vehicles [3]	# of Roll-off Vehicles [4]	Detail of Other Authorized Waste Types [5]

If you need more rows, please add them above this note

NOTES:

- 1 **Transfer Vehicles** are used to transfer large quantities of solid waste to disposal sites
- 2 **Packer Garbage Trucks** are used to collect municipal solid waste and typically compact it after each collection
- 3 **Recycling Trucks** are used to haul recyclable materials (instead of garbage) such as yard waste, plastic, paper, aluminum, etc.
- 4 Vehicles with "**Roll-off Bin**" functions are typically used at construction sites for construction/demolition materials or other solid waste
- 5 Provide details if vehicles are permitted to haul something **other than** solid waste or recyclables - include vehicle type count and specify waste type.
