

# CalRecycle's 2017 Recycled-Content Trash Bag Program Wholesaler Compliance Report

The following summary is based on Plastic Trash Bag Certifications received by the Department of Resources Recycling and Recovery (CalRecycle) for the 2017 reporting period. CalRecycle's database may not include all manufacturers or wholesalers that are subject to the law and who should submit the required certification. **The law does not provide for extensions.** Wholesalers who are noncompliant, or who were non-responsive, may certify for the next reporting year.

The list of Compliant Wholesalers is based on the submission of the self-certification meeting the requirements of the law.

The list of Noncompliant Wholesalers is based on any of the following reasons: they did not submit their forms for the 2017 reporting year, submitted forms with insufficient information, or submitted their forms after the statutory deadline.
