RE: PaintCare Year 7 Annual Report, Conditional Approval response

Dear Ken,

On January 22, 2020, CalRecycle conditionally approved PaintCare's Year 7 Annual Report. A finding of compliance is contingent on PaintCare adequately addressing the requirements of the Request for Approval (RFA) within 60 days of the date of conditional approval (by March 22, 2020).

The RFA requires an evaluation of the program's expenses and revenue that explains potential changes in operations, outreach, and/or the program's fee structure to bring the reserve balance within the established target range. The enclosed submission provides this evaluation, inclusive of the detailed content specifications outlined under Option 1 of the RFA.

We thank the staff of CalRecycle sincerely for their diligence in responding to our questions regarding the required content of this submission.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Jones".
