RE: Revised Paint Stewardship Program 2019 Annual Report

Dear Ken,

Please find enclosed a revised version of PaintCare's Year 7 Annual Report, along with a summary of the changes from the original, previously submitted for approval on November 1, 2019. The revised report comprises changes made for three distinct purposes:

- **Accessibility** — to provide a version of the report to CalRecycle that supports the agency's website accessibility commitments and obligations under Government Code section 11546.7 (AB 434)
- **Financial Evaluation** — to amend the annual report with the additional information provided by PaintCare in response to CalRecycle's conditional approval of the annual report on January 22, 2020
- **Corrections** — to correct a small number of minor errors noted to PaintCare by CalRecycle staff following the original submission

On behalf of PaintCare, I thank CalRecycle and its staff for its assistance and guidance in the preparation of the revisions submitted with this letter.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Jones".

Jeremy Jones  
West Coast Program Manager
