Re: Mattress Recycling Council 2019 Annual Report Completeness Review

Dear Mr. Trainer,

The Department of Resources Recycling and Recovery (CalRecycle) received the Mattress Recycling Council's (MRC) 2019 Annual Report on September 1, 2020. The California Code of Regulations (CCR), Title 14, Section 18964(c) requires CalRecycle to determine if the Annual Report is complete and notify the MRC of its determination within 30 days of receipt.

Staff reviewed the Annual Report for completeness per the requirements in the Public Resources Code Sections 42985-42994 and CCR Sections 18959-18971, and found the MRC's Annual Report to be complete.

CalRecycle has 90 days (until November 30, 2020) to review the Annual Report and the MRC's program for compliance with the requirements in statute, regulations, and the MRC's stewardship plan, and adopt a finding of compliance, non-compliance, or conditional approval. Staff will present an analysis and recommendation regarding program compliance for the acting director's consideration at the department's monthly public meeting on November 17, 2020.

If you have any questions, please contact mattresses@calrecycle.ca.gov.
