Subject: Notice of Changes to Proposed Regulations for the Sustainable Packaging for the State of California Act of 2018 (SB 1335)

A 15-day written public comment period for the Proposed Regulations for the Sustainable Packaging for the State of California Act of 2018 (SB 1335) will begin on October 6, 2020, and end on October 20, 2020, at 11:59 pm.

The revised proposed regulations are available on the SB 1335 rulemaking website at: <https://www.calrecycle.ca.gov/laws/rulemaking/foodservice>. Text shown in double underline (addition) and double ~~strike through~~ (deletion) depict changes made after the 45-day public comment period. CalRecycle staff is only required to respond to comments related to the newly proposed changes to the regulations.

Please submit written comments to SB1335@calrecycle.ca.gov.

During this 15-day written comment period, CalRecycle is updating the rulemaking file regarding a technical document that was relied upon for the development of the proposed regulations, but not available online when the proposed regulations were noticed for the 45-day comment period. This document is now available for viewing online at the link below and at our offices, upon request.

- California Department of Resources Recycling and Recovery. *State of Disposal and Recycling in California: Calendar year 2018*. 2018. <https://www2.calrecycle.ca.gov/Publications/Details/1662>.

CalRecycle added two external scientific peer reviews to the rulemaking file and has complied with Health and Safety Code section 57004, regarding submission of the scientific portion of the Proposed Regulations for the Sustainable Packaging for the State of California Act of 2018 to an external scientific peer review.

- *External Scientific Peer Reviews of the Proposed Adoption of Limit on PFASs in Plastic and Fiber-based Food Service Packaging. 2020.*
 - Deborah Cory-Slechta, Ph.D.: [External Scientific Peer Review](#) / [CV](#)
 - John Patrick Vanden Heuvel, Ph.D.: [External Scientific Peer Review](#) / [CV](#)
