Re: PaintCare 2020 Annual Report Completeness Review

Dear Mr. Jones,

CalRecycle received PaintCare's 2020 Annual Report on November 2, 2020. CalRecycle is required to determine if the annual report is complete pursuant to regulations and notify PaintCare of its determination within 30 days of receipt. Staff reviewed the annual report and found it to be complete.

CalRecycle has 90 days (until January 31, 2021) to review the annual report and PaintCare's program for compliance with the requirements in statute, regulations, and PaintCare's stewardship plan, and adopt a finding of compliance, non-compliance, or conditional approval. Staff will present an analysis and recommendation regarding program compliance for the acting director's consideration at the department's monthly public meeting on January 19, 2021.

CalRecycle requested public comments regarding PaintCare's 2020 Annual Report by November 24, 2020, so that comments can be considered during staff's compliance review.
