Informational Update - Approval of Photovoltaic (PV) Modules – Department of Toxic Substances Control (DTSC) Universal Waste Management Regulation

The final rulemaking file for Photovoltaic (PV) Modules (PV) – DTSC Universal Waste Management Regulations were approved by the Office of Administrative Law (OAL) and filed with the Secretary of State on September 28, 2020. The regulation will be effective starting January 1, 2021.

To see the final regulation package, please visit [DTSC's Final Regulations PV Universal Waste Management Webpage](#). Please be sure to check DTSC's [PV modules webpage](#) as DTSC continues to update their webpage.

For any additional questions, please email PVmodules@dtsc.ca.gov.

This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.
