Subject: Clarification of deadline for 15-day Public Comment Period for the Proposed Regulation for the Sustainable Packaging for the State of California Act of 2018 (SB 1335)

The department will accept written comments on the Proposed Regulation for the Sustainable Packaging for the State of California Act of 2018 (SB 1335), Public Resources Code Sections 42370 – 42370.7, **through 11:59 pm on Monday, December 28, 2020.**

CalRecycle initiated a 15-day written public comment period for the [Third Draft Proposed Regulations](#) on December 12, 2020, to run through December 26, 2020. Because that deadline falls on a Saturday, the department will accept any comments received on the next business day (Monday, December 28), giving stakeholders two additional days to submit comments. Comments must be submitted to the SB 1335 email at SB1335@calrecycle.ca.gov by 11:59 pm on December 28, 2020.

Please note that CalRecycle is only required to respond to comments related to the newly proposed changes to the regulation and that the department is required by statute to adopt this regulation by January 1, 2021.

For questions related to this 15-day public comment period, to submit comments by mail, or to make an appointment to view technical documents relied upon or documents incorporated by reference, please contact:
