GRANTS MANAGEMENT SYSTEM (GMS)

GMS is CalRecycle's web-based grant application and grant management system. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the grant

Grantees must [log into GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After login, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** button. The **Grant Management Module** includes the following sections:

- **Summary tab** – shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab** – requests reimbursement.
- **Reports tab** – uploads required reports.

- **Documents tab** – uploads other grant documents that are not considered supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.
- **Sites tab** – list amnesty event locations, if known.

Follow the instructions in GMS to work in the system. Use the information in the following sections to determine what reports, transactions, and supporting documents are required.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the access check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

PRIOR TO COMMENCING WORK

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor(s) (or subcontractor) to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor(s), signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [Section 17050 of Title 14](#), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor(s) or subcontractor(s).

If a (sub) contractor is placed on the [CalRecycle Unreliable Contractor List](#) after award of this grant, the grantee may be required to terminate that contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's form web page](#) (<https://www.calrecycle.ca.gov/funding/forms/>).

A scanned copy of the signed Reliable Contractor Declaration form must be uploaded in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the section above titled Grant Management System.

Waste & Used Tire Hauler and End Use and Disposal Facilities

CalRecycle has specific requirements for the tracking of used and waste tires remediated with grant funds. In order to be reimbursed for the cost of tire collection, Grantees and their contractors must use a waste/used tire hauler that is registered with CalRecycle, unless it is exempt pursuant to Public Resources Code section 42954. Furthermore, the tires must be transported to a facility that is permitted, excluded, exempted or otherwise authorized by CalRecycle, by statute, or by regulation, to accept

waste and used tires, or to a facility that lawfully accepts waste and used tires for reuse or disposal.

When planning for an amnesty event, the Grantee shall contact the CalRecycle Tire Management Program Hotline (Hotline) at (866) 896-0600 (toll free) to verify that the used tire hauler (tire hauler) and end use facility (facility) it intends to use are in compliance with applicable laws and regulations. The name and address of the tire hauler and the facility are necessary for verification. The information is also available on the CalRecycle website at <https://www.calrecycle.ca.gov/Tires/Haulers/>. If you have any questions, contact your Grant Manager.

In addition, the Grantee will need a Tire Processor Identification Number (TPID). This can be obtained, by calling the Hotline number listed above, for each amnesty event location.

Waste Tire Hauling Limits

The Grantee must comply with the hauling and manifest requirements set forth in Title 14, California Code of Regulations, sections 18461(b)(2) and (3). For purposes of amnesty events, these regulations provide that:

- The Grantee may accept up to 9 waste tires at amnesty events from individuals who are not registered waste tire haulers.
- The Grantee may accept 10-20 waste tires if the individual has a waiver from the Local Enforcement Agency (LEA).
 - If the individual does not have a waiver from the LEA to haul more than 9 tires, the Grantee may accept the tires, but must report this information on the Unregistered Hauler & Comprehensive Trip Log Substitution Form (Unregistered Hauler Trip Log) (CalRecycle 204) and submit the form to CalRecycle within 30 days of acceptance of the tires.
 - If the Grantee accepts more than 20 waste tires from an individual, the Grantee must report this information on the Unregistered Hauler Trip Log and submit the form to CalRecycle within 30 days of acceptance of the tires.
 - The Unregistered Hauler Trip Logs should be sent to the following:
By mail: CalRecycle, Tire Hauler Compliance Unit, 10th Floor
P.O. Box 4025
Sacramento, CA 95812
Email: wastetires@calrecycle.ca.gov
Fax: 916-319-7605
- The Grantee may also accept waste tires from farmers and small businesses that generated the tires in the normal course of operations and are not a tire changing business. Grantee must provide a manifest to this type of customer.

In addition, Senate Bill 230 (Cogdill, Chapter 41, Statutes of 2009) sets forth the following additional requirements:

- Any person transporting waste or used tires that were illegally dumped onto their property to an amnesty event must have written authorization from the LEA, which includes, dates and documentation that a police report has been filed for the illegally dumped tires.

MAXIMUM TIRES PER INDIVIDUAL

An individual should be limited to a maximum of 40 tires per amnesty event, or 40 tires per month if a permanent location.

GRANT TERM

The Grant Term begins on the date of the Notice to Proceed email. Grant-eligible program expenditures may start no earlier than the date indicated in the Notice to Proceed. The Grant Term ends on September 30, 2021 and all eligible program costs must be incurred by this date.

The Final Report and final Payment Request are due on September 30, 2021. CalRecycle recommends reserving the period from July 1, 2021 to September 30, 2021 exclusively for the preparation of the Final Report and final Payment Request, though they may be completed earlier. **Costs incurred to prepare the Final Report and final Payment Request are only eligible for reimbursement during the Grant Term.**

ELIGIBLE COSTS

All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget. To be eligible for reimbursement, costs must be incurred after receiving a Notice to Proceed and before the end of the Grant Term. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Eligible costs are limited to the following:

- Cost of transporting waste tires by a waste tire hauler, registered or exempted by CalRecycle, to a permitted, excluded or exempted waste tire storage facility, or other solid waste facility;

- Cost of disposing of waste tires at a permitted, excluded or exempted waste tire storage facility or disposal site;
- Any salaries and benefits for personnel directly involved in the administration and supervision of amnesty events, and the preparation of payment requests and reports;
- Any salaries and benefits for personnel directly involved in event planning, creation of educational materials and advertisements in support of amnesty events and working at the amnesty events;

- Supplies necessary for the events such as gloves, traffic cones and clipboards;
- Tires generated from agricultural operations and small businesses that do not change tires on customer vehicles;

- Costs of loading and transporting tires collected from specific cleanup days such as beach and river cleanups;

- Overtime costs for local government staffing during specially scheduled evening or weekend events when **pre-approved** in writing by the Grant Manager when law or labor contracts require overtime compensation.

INELIGIBLE COSTS

Any costs not specifically included in the approved Budget and not directly related to waste tire amnesty events and the approved grant project are ineligible for reimbursement. Contact the Grant Manager if clarification is needed. Ineligible costs include, but are not limited to:

- Costs incurred prior to the date of the Notice to Proceed email or after September 30, 2021
- Personnel time for the preparation of a Waste Tire Amnesty Grant Application;

- Cost of collecting waste tires from businesses that are responsible for contracting with registered waste tire haulers for the removal of their waste tires.
 - If it is determined that the Grantee has used grant funds for this purpose, costs incurred will be deemed ineligible and disbursed grant funds associated with these costs must be returned to CalRecycle; and
- Any costs that are unrelated to the grant project or unreasonable as determined by the Grant Manager.

MODIFICATIONS

Any proposed revision(s) to the Work Plan and/or Budget must be submitted in writing and pre-approved in writing by the Grant Manager prior to grantee incurring the proposed expenditure. Proposed revisions must be clearly marked on the Work Plan and/or Budget and must be accompanied by a summary of proposed

changes/modifications, including the justification(s) for the proposed changes. Costs based on the proposed revisions may not be incurred until Grant Manager approval. If approved, the grant manager will upload the final revised Work Plan and/or Budget to GMS. Proposed revisions may be submitted in conjunction with a Progress Report but cannot be submitted as part of the Progress Report. The approval document(s) should be retained by the grantee for audit purposes. See Audit Record/Access section of the Terms and Conditions (Exhibit A).

Acknowledgements: The grantee shall acknowledge CalRecycle's support each time projects funded, in whole or in part, by this Agreement are publicized in any medium, including news media, brochures, or other types of promotional materials.

Any publicity or advertisement must clearly state:

- Tires will be accepted at no charge
- Whether tires on rims are accepted
- No tires from waste tire generating businesses will be accepted
- The number of tires allowed
 - Up to 9 tires without an exemption
 - Between 10 and 20 tires with an exemption from the Local Enforcement Agency (LEA). If allowed, a contact number for the LEA should be provided.
- Acknowledgement of CalRecycle's support along with the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used.
 - The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.
 - *Where do I find a CalRecycle logo?* Low-resolution images may be viewed at [CalRecycle's Logos](https://www.calrecycle.ca.gov/Gallery/) website (<https://www.calrecycle.ca.gov/Gallery/>). An advertisement for an amnesty event may be combined on the same publication with other advertising and a portion of the cost charged to the amnesty grant accordingly.

Preapproval of public education materials is not required, however if one or more of the required elements above are not included the CalRecycle Grant Manager may only approve part, or none of the expenditure. A copy of all public education materials paid for with grant funds must be included when reimbursement is requested.

REPORTING REQUIREMENTS

A Progress Report and a Final Report are required by this Agreement; however, the Grant Manager may request a Progress Report at any time during the Grant Term. Note: A designee may sign on behalf of the grantee if a) authorized by the Resolution or Letter of Commitment, and b) a Letter of Designation has been provided to the Grant Manager.

B. Cost and Payment Documentation

Acceptable cost and payment documentation must include at least one of each of the following.

- a) Invoices, receipts, or purchase orders must include the vendor's name and telephone number, address, description of goods or services purchased, amount due, and date. The claimed expenses should be highlighted on each invoice.
- b) Proof of payment may include:
 - i. copy of cancelled check(s) that shows an endorsement from the banking institution
 - ii. invoice(s) showing a zero balance, or stamped "paid" with a check number, date paid, and initials

The following documents are also part of the payment request, but may not be needed every time:

- D. **Personnel Expenditure Summary** (CalRecycle 165): Use this form for all grantee claimed personnel expenses. A grantee may use their own personnel expenditure summary form as long as it includes all the same components. Personnel hours and costs on the Personnel Expenditure Summary must be summarized and totaled by task and staff. It is not necessary to submit timesheets, however, they must be readily available should the Grant Manager, or an auditor, request them. Time must be computed on actual

E. Waste Tire Manifests: Grantee must provide documentation showing the transportation of all waste tires to an eligible facility. This can be in the form of waste tire manifest copies, or a spreadsheet approved by the Grant Manager. Provide justification if tires were hauled, but manifests are not included.
