## Option B: Payment in Lieu of In-Store Redemption

*Section 14571.6 of the Public Resources Code allows dealers the option of paying \$100 per day to the Department of Resources Recycling and Recovery until a certified recycling center is operating in the convenience zone. Please note that this is an option and not a fine.*

I have elected the option to pay \$100 per day, in lieu of redeeming in-store, until a certified recycling center is operating in the convenience zone.
