This document is attached to, and incorporated by reference, into the Grant Agreement.

Milestones

July 1, 2021: Grant Term and Grant Performance Period Begin

June 30, 2022: Grant Performance Period Ends

June 30, 2022-October 27, 2022: Report Preparation Period

October 27, 2022: Final Report and Final Payment Request Due

Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and Grants Management System. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at CalRecycle's WebPass page (https://secure.calrecycle.ca.gov/WebPass/).

Accessing the Grant

Grantees must <u>log in to GMS</u> (https://secure.calrecycle.ca.gov/Grants) using their web pass. After logging in, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab**: Shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- Payment Request tab: Grantee requests reimbursement.
- Reports tab: Grantee uploads required reports.
- **Interest**: Shows earned interest on an advance payment.
- Documents tab: Grantee uploads all other grant documents that are not supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.

Follow the instructions in GMS to work in the system. The following sections describe the reports, transactions, and supporting documents CalRecycle requires.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the "Allow Access" check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

Prior to Commencing Work

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor or subcontractor to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor or subcontractor, signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in section 17050 of Title 14 (https://www.calrecycle.ca.gov/Laws/Regulations/Title14/), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor or subcontractor. The grantee must submit this form for each contractor and subcontractor working under the grant.

If a contractor or subcontractor is placed on the <u>CalRecycle Unreliable Contractor List</u> (https://www.calrecycle.ca.gov/Funding/Unreliability/) after award of this grant, the grantee may be required to terminate the contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from <u>CalRecycle's Grant Forms web page</u> (https://www.calrecycle.ca.gov/Funding/Forms/).

The grantee must upload a scanned copy of each signed Reliable Contractor Declaration form in GMS. To upload the form:

- 1. Go to the **Reports** tab.
- 2. Click on Reliable Contractor Declaration under Report Type.
- 3. Click the Add Document button.
- **4.** Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
- **5.** Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

Grant Term, Grant Performance Period, and Report Preparation Period

The Grant Term begins on July 1, 2021 and ends on October 27, 2022. The grantee must make all grant-eligible program expenditures and incur all grant-eligible costs within this period. Expenditures made or costs incurred prior to July 1, 2021 or after the end date are not eligible for reimbursement. Most costs are further limited during the Report Preparation Period (below).

The Grant Performance Period begins on the date of the July 1, 2021 and ends on June 30, 2022.

The Report Preparation Period is from July 1, 2022 through October 27, 2022. **Costs** incurred to prepare the Final Report and final Payment Request are the only costs that are eligible for reimbursement during the Report Preparation Period.

The Final Report and final Payment Request are due on October 27, 2022.

Eligible Costs

Grantees may incur eligible costs only during the Grant Term, which starts July 1, 2021 and ends on October 27, 2022. See "Grant Term, Grant Performance Period, and Report Preparation Period" for additional information. All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget. To be eligible for reimbursement, costs must be incurred after July 1, 2021 and before the end of the Grant Performance Period. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Eligible costs are limited to the following:

- Analysis/Evaluation/Testing/Demo (expenses related to analysis and testing, equipment calibration, certification, demonstrations, site studies, and consultants).
- Compliance/Inspection/Visit/Enforcement (expenses related to legal counsel, inspection, enforcement, compliance, and consultants).
- **Education** (expenses related to providing education and outreach materials to local jurisdictions, businesses, and the public).
- Equipment (expenses related to the purchasing of tools, instruments, equipment, personal protection gear, tablets, and laptops as well as the maintenance of equipment essential for the inspection of solid waste facilities).
- **Personnel** (staff expenses related to conducting inspections such as salaries, benefits, physicals, and vaccinations).
- Training (expenses related to the training of LEA staff such as training materials, publications, periodicals, memberships, CalRecycle trainings, solid waste management conferences, and related costs).
- **Transportation** (expenses related to inspections such as maintenance of LEA vehicles, fuel expenses, and mileage).
- Expenses related to preparation of the Final Report and the Final Payment

Request during the Report Preparation Period identified in the Milestones table above.

Personnel expenditures must be computed on the actual time spent on grant-related activities. For calculating total personnel expenses for each employee, the expenditures must be documented by,

- The names and classification(s) of the employee(s)
- The hourly wage
- Fringe benefits rate
- The number of hours worked on grant-related activities

These records must be available upon request for audit purposes.

Travel and per diem reimbursement is limited to a maximum of the state rate as described in the <u>Travel Reimbursements section</u> (http://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx) of the California Department of Human Resources.

Ineligible Costs

Any cost not specifically related to the LEA Grant Program are ineligible for reimbursement. The grantee should contact the Grant Manager if clarification is needed.

Ineligible costs include, but are not limited to:

- Costs incurred prior to July 1, 2021 or after June 30, 2022, (except for costs incurred during the Report Preparation Period, July 1, 2022–October 27, 2022, to prepare the Final Report and reimbursement Payment Request).
- Any costs that are not consistent with local, state, and federal statutes, ordinances, or regulations.
- Any food or beverages (supplied as part of meetings, workshops, training, or events).
- Any personnel costs incurred as a result of time an employee assigned to the solid waste program does not actually work on the solid waste program (e.g. use of accrued vacation, sick leave, etc.).
- Any pre-paid expenditures for future goods or services delivered after the end of the Grant Performance Period. (Exemption: The Grant Manager may consider approving products purchased in full before the end of the Grant Performance Period but delivered after the Grant Performance Period if the delay is caused solely by the supplier and through no fault of the grantee. The grantee must request an exemption in writing and receive written approval from the Grant Manager.)
- Cleanup of illegal dumping.
- Costs currently covered or incurred under another CalRecycle loan, grant, grant cycle, or contract.
- Landfill operations.
- Out-of-state travel.
- Overhead and indirect costs.

- Overtime costs (except for local government staffing during specially scheduled evening or weekend events that have been pre-approved in writing by the Grant Manager when law or labor contracts require overtime compensation).
- Purchasing or leasing of vehicles.

The grant manager may disallow any costs deemed unreasonable or unrelated to the purpose of the grant.

Modifications

The approved budget in GMS represents the proposed expenditure plan of the grantee at the time the grant is awarded. A budget change is the adjustment of grant funds between the main budget categories as listed in the GMS application.

Any proposed revision(s) to the Budget must be submitted in writing and authorized in writing by the Grant Manager. The approval document is to be retained by the grantee for audit purposes. See Audit Record/Access section of the Terms and Conditions (Exhibit A).

Prior to Advance Reconciliation or Requesting Reimbursement

The grantee must notify the Grant Manager of all budget changes, regardless of dollar amount, no later than October 27, 2022. Budget changes must be provided using the Budget Modification Template and emailed to the Grant Manager. The Budget Modification Template is located in the Summary tab under Resources Documents in the Grant Management section of GMS.

Acknowledgements

The grantee shall acknowledge CalRecycle's support each time a project funded, in whole or in part, by this Agreement is publicized in any medium, including news media, brochures, or other types of promotional materials. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

Reporting Requirements

A Final Report is required by this Agreement; however, the Grant Manager may request a Progress Report at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

The Final Report must be uploaded in GMS.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

1. Go to the **Reports** tab.

- 2. Click on the appropriate Report Type.
- 3. Click on the **Add Document** button.
- 4. Choose the Document Type, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.

- Click the Submit Report button to complete your report submittal. The Submit Report button will not be enabled until all required reporting documents are uploaded.

The reports must be current, include all required sections and documents, and must be approved by the Grant Manager before any Payment Request can be processed.

Failure to comply with the specified reporting requirements may be considered a breach of the Grant Agreement and may result in the termination of the Grant Agreement, rejection of the Payment Request, and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. The grantee must report any problems or delays immediately to the Grant Manager.

Electronic and Original Signatures

CalRecycle now allows for certified e-Signature or original wet signature on documents or forms that certify legally binding information.

Note: The e-Signature must be the Adobe Digital ID or through another certified digital signature program, and cannot be the "Fill and Sign" function within Adobe. Any documents using the "Fill and Sign" method will be considered as incomplete and may be sent back to the grantee.

If you have questions, email grantassistance@calrecycle.ca.gov.

 Grant Term, and costs incurred may be reconciled only for those materials and
 services specified in the approved grant application.
 - a. **Please Note**: There is a new procedure for submitting your payment request for advances this cycle. Please refer to the Advance Payment section in the Guidelines and Instructions.

- The grantee must submit the required Final Report prior to, or concurrent with, submission of the Grant Payment Request. No reimbursement is made prior to Grant Manager approval of the report. Grantees are not required to wait until the end of the Grant Term (October 27, 2022) to request reimbursement and submit a Final Report. A payment request and Final Report may be submitted at any time within the Grant Term. Grantees are encouraged to submit their payment request and Final Report when grantees have expended the grant budget.
- The grantee must submit a completed Grant Payment Request (Advance or Reimbursement), and provide supporting documentation when applicable, as described in the "Payment Request and Documentation" section for completed project(s) only.
- CalRecycle will make grant payments to only the grantee. It is the grantee's responsibility to pay all contractors and subcontractors for purchased goods and services.
- CalRecycle will withhold and retain 10 percent of each approved Grant Payment Request amount until all conditions stipulated in the Agreement, including submission and Grant Manager approval of the Final Reports, have been satisfied.
- CalRecycle will make payments to the grantee as promptly as fiscal procedures permit. The grantee can typically expect payment approximately 45 days from the date the Grant Manager approves a Grant Payment Request.
- The grantee must provide a Reliable Contractor Declaration (CalRecycle 168) (https://www.calrecycle.ca.gov/Funding/forms/) signed under penalty of perjury by the grantee's contractors and subcontractors in accordance with the "Reliable Contractor Declaration" section of the Terms and Conditions (Exhibit A). The declaration must be received and approved by the Grant Manager prior to commencement of work. See the "Reliable Contractor Declaration" section in Terms and Conditions (Exhibit A) for more information.

Audit Considerations

The grantee agrees to maintain records and supporting documentation pertaining to the performance of this grant subject to possible audit for a minimum of three (3) years after final payment date or Grant Term end date, whichever is later.
