Subject: Plastic Beverage Container Minimum Content (AB 793) Workshop

The Department of Resources Recycling & Recovery (CalRecycle) will present a Plastic Beverage Container Minimum Content Workshop on Thursday, April 29, 2021. Please note that participation in this workshop will be through video, not in-person. The meeting will be conducted via GoToMeeting video conference. Workshop details are as follows:

Plastic Beverage Container Minimum Content Standards (AB 793)

Thursday, Apr 29, 2021 10:00 AM - 12:00 PM (PST)

To participate in the workshop, please register through the following link:

The workshop presentation will be posted prior to the workshop date on the CalRecycle website and can be found here:

<https://www2.calrecycle.ca.gov/PublicNotices/Details/4401>

CalRecycle will consult with the public, beverage manufacturers, plastic reclaimers, the regulated community, and other interested persons on developing regulatory language to implement AB 793. CalRecycle welcomes comments and recommendations on this matter.

Please send comments and questions to: MarketInformation@CalRecycle.ca.gov.

Workshop participants are encouraged to submit questions and comments in advance. Comments and questions will be accepted before, during, and after the workshop.

During this workshop, CalRecycle will present preliminary draft regulations for consideration for the following topics:

- Definitions
- Reporting
- Recordkeeping
- Penalty Reduction
- Submittal of Petitions to Adjust the Minimum Content and Corrective Action Plans
