Reminder to Register for the Virtual 2021 CalRecycle/LEA Technical Training Series

This is a reminder that [registration](#) for the 19<sup>th</sup> Annual CalRecycle/LEA Technical Training Series is now open! If you are interested in attending and haven't completed your registration, please sign up by **April 1, 2021**.

The 19<sup>th</sup> Annual CalRecycle/LEA Technical Training Series is entirely virtual and includes four days of training over two weeks, on April 13-14 and April 21-22, 2021. The training series offers concurrent technical sessions, virtual field tours, and hands-on learning sessions. There will also be virtual networking opportunities and information booths. This event provides an extraordinary opportunity to learn from Local Enforcement Agencies, Tire Enforcement Agencies, CalRecycle staff, partner agencies, and industry representatives. All of the training series sessions and events will be held online using ON24, Zoom, and Google docs. There is no requirement to download any software or applications, attendees just need access to a smartphone or computer with an internet connection. REHS continuing education credits will be available for many sessions.
