

**Changes to PaintCare's FY20 California Annual Report
Versions Original Version vs. Revision submitted June 2021**

1. Page 7: Changed from 95% to 96% the percentage of program collection volume that was reused, recycled back into paint or another product, or used for a purpose other than landfill disposal.
2. Page 8: All of section B3 was moved to page 8 in order to keep the four bullets together and correct an ADA compliance issue with improperly nested bullet lists.
3. Page 18: Added Turlock to the list of urbanized areas where PaintCare newly met the density criterion target, bringing the total to three.
4. Page 61: Changed the "Site Type" to "HHW Facility" for Alturas Transfer Station to reflect that it is a permanent household hazardous waste facility.
5. Page 104: Corrected entry errors regarding descriptions and amounts in the "Program and delivery services" table:
 - a. Row for Professional fees was inserted with value of 14,443
 - b. Travel corrected from 13,072 to 103,383
 - c. Meetings corrected from 103,383 to 5,224
 - d. Office and supplies corrected from 5,224 to 7,964
 - e. Subscriptions and publication corrected from 7,964 to 2,516
 - f. Professional development corrected from 2,516 to 19,204
 - g. Other expenses corrected from 19,204 to 81
 - h. Total program and delivery services corrected from 81 to 27,805,205
 - i. General and administrative corrected from 27,805,205 to 2,843,138
 - j. Total expenses corrected from 2,843,138 to 30,648,343
6. Page 105: Corrected amounts in the "Statement of Functional Expenses" table:
 - a. Transportation and Processing corrected from 20,707,601 to 20,707,061
 - b. Professional development corrected from 27,506 to 19,204
 - c. Removed row for "Research and Development Grant"
 - d. Adjusted vertical alignment within cells so amounts are centered vertically within a cell
7. Page 156: For the Hanford urbanized area, changed "Meeting Target" to "Yes" in the Density Targets table.
8. Page 158: For the Turlock urbanized area, changed "Meeting Target" to "Yes" and "Shortfall" to "0" in the Density Targets table.
9. Page 158: For the Visalia urbanized area, changed "Shortfall" to "0" in the Density Targets table.
10. Minor corrections to fix invisible empty or wrong types of HTML tags on images for ADA compliance and screen readers.
