

# CalRecycle's 2020 Recycled-Content Trash Bag Program Wholesaler Compliance Report

The following summary is based on Plastic Trash Bag Certifications received by the Department of Resources Recycling and Recovery (CalRecycle) for the 2020 reporting period. CalRecycle's database may not include all wholesalers or manufacturers that are subject to the law and who should submit the required certification. **The law does not provide for extensions.** Wholesalers who are noncompliant, or who were non-responsive, may certify for the next reporting year. CalRecycle has verified the entities on this list. This list will be updated throughout 2021 as CalRecycle identifies regulated Wholesalers.

The list of Compliant Wholesalers is based on the submitted self-certifications meeting the requirements of the law.

The list of Noncompliant Wholesalers is based on any of the following reasons: the wholesalers listed in this section did not submit their forms for the 2020 reporting year; submitted forms with insufficient information; or submitted their forms after the statutory deadline.
