

Low Population Waiver Application for Cities or Special Districts Providing Solid Waste Collection Services

CalRecycle is providing this form as a convenience to assist cities or special districts providing solid waste collection services for purposes of applying for low population waivers under 14 CCR 18984.12(a). Use of this form is optional and not a regulatory requirement.

A jurisdiction (city or special district providing solid waste collection services) may apply to CalRecycle for a waiver for some or all of its generators from some or all of the requirements of Article 3 in 14 CCR 18984 through 18984.13.

To qualify for a low population waiver, the following must apply to the jurisdiction:

- The jurisdiction disposed less than 5,000 tons of solid waste in 2014 as reported in the CalRecycle Disposal Reporting System.
- The jurisdiction has a total population of less than 7,500 people.

CalRecycle-approved waivers are valid for a period of up to five years. A jurisdiction may apply to renew a waiver at any time up to 180 days prior to the expiration of an existing approved waiver. An approved waiver does not waive a jurisdiction from its obligation to comply with the other requirements of the SB 1383 regulations including, but not limited to, promoting and providing information to generators about waste prevention, community composting, managing organic waste on site, and other means of recovering organic waste.
