---

This emergency rulemaking by the Department of Resource Recycling and Recovery splits the existing Covered Electronic Waste (CEW) recycling payment rate into separate payment rates for Cathode Ray Tubes (CRTs) and non-CRT CEW and also adds a requirement recyclers report separately the net costs associated with recycling CRT CEW and with recycling non-CRT CEW. Pursuant to Public Resources Code section 42475.2, "the adoption of these regulations is an emergency and shall be considered by the Office of Administrative Law as necessary for the immediate preservation of the public peace, health, safety, and general welfare. Notwithstanding Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, any emergency regulations adopted by the board or the department pursuant to this section shall be filed with, but not be repealed by, the Office of Administrative Law and shall remain in effect for a period of two years or until revised by the department or the board, whichever occurs sooner."

OAL approves this emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code.

This emergency regulatory action is effective on 5/9/2018 and will expire on 5/10/2020. The Certificate of Compliance for this action is due no later than 5/9/2020.
