Upcoming Webinar for Jurisdictions: Identifying SB 1383 Tier One and Tier Two Commercial Edible Food Generator Webinar from 2:00PM – 4:00PM on May 18, 2021

CalRecycle is hosting a webinar for Jurisdictions and other interested parties on methods to identify tier one and tier two commercial edible food generators.

To view the webinar only, you may use the customary webcast available at CalRecycle's [Public Meeting Webcasts page](#).

To view and ask clarifying questions during the webinar, please register at [Go To Webinar](#). After registering, you will receive a confirmation email containing information about joining the webinar.

For further assistance, please contact your CalRecycle Local Assistance and Market Development representative, who can be found on the [CalRecycle Liaison Contact Search webpage](#), or send an email to the SLCP inbox at [SLCP.Organics@calrecycle.ca.gov](mailto:SLCP.Organics@calrecycle.ca.gov).

### **Guidance Document for Jurisdictions: How to Identify SB 1383 Commercial Edible Food Generators**

CalRecycle has also published a [Guidance Document](#) to provide possible methods for jurisdictions to identify which entities qualify as tier one and tier two commercial edible food generators, as defined in the SB 1383 regulations. This guidance tool was developed by CalRecycle as a courtesy for informational and example purposes only. Use of this tool is optional and is not a regulatory requirement.

More information can be found on CalRecycle's [Capacity Planning for Food Recovery webpage](#).

*This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.*
