SB 1383 Recycling and Disposal Reporting System (RDRS) Reporting Requirements Webinar

On Tuesday, October 26, 2021, from 10:00 AM – 11:30 AM, CalRecycle will host a webinar on the new requirements for solid waste facilities to measure and report organic materials pursuant to the SB 1383 regulations. This webinar will include discussion of the measurement requirements as well as the changes to the Recycling and Disposal Reporting System (RDRS) based on the implementation of SB 1383. The first reporting period pursuant to SB 1383 requirements is the 1st quarter of 2022. This webinar will help you understand the requirements and will provide an opportunity for attendees to ask questions.
