Subject: Enforcement Advisory Council Resolution 2021-04 – Revision to Council Meeting Procedures

Dear Mr. Condon,

I am writing in response to Enforcement Advisory Council (EAC) Resolution 2021-04, received October 20, 2021, and passed at the EAC meeting on August 25, 2021.

The resolution amends EAC procedures by updating the language regarding meeting frequency and venue. This update will allow the EAC to convene as often as necessary, with more flexibility in venue selection, while ensuring continued communication between the EAC and CalRecycle.

I agree with the changes voted on by the EAC to amend the meeting frequency and with flexibility in venue selection. The CalRecycle web page and other documents associated with EAC membership will be updated accordingly.

Sincerely,

Mark de Bie, Deputy Director
Waste Permitting, Compliance & Mitigation Division
