**LOOKING FOR A CAREER THAT GIVES YOU A SENSE OF PURPOSE?** [video of wildfire cleanup or food rescue]

Second Marcus video:

“ The kind of work you do is a lot more meaningful since you are actually helping people recover and rebuild from something so traumatic.”

**WANT TO MAKE A DIFFERENCE FOR THE ENVIRONMENT?** [field photos]

“CalRecycle’s mission is to protect the environment and public health. And that aligns with my core values”

**CALRECYCLE NEEDS YOUR PASSION AND DRIVE TO BUILD A BRIGHTER FUTURE WITH LESS POLLUTION AND MORE GREEN JOBS.**

“It’s been a really great experience getting to work with so many different like-minded people who are working to protect the environment, to decrease our waste, to increase recycling and to source reduce.”

**JOIN THE TEAM THAT’S TAKING ON THE CLIMATE CRISIS.**

**REDUCING CLIMATE SUPER POLLUTANTS FROM ROTTING FOOD AND YARD WASTE.**

“ Diverting waste from landfills is one step towards reducing climate change.”

**PROVIDING 115 MILLION MEALS TO HUNGRY CALIFORNIANS THROUGH SURPLUS FOOD RECOVERY.**

**AND MANAGING THE CLEANUP FROM CLIMATE DISASTERS.**

“ We go to different areas that have actually been affected by wildfires and properties that have burned down inside that area. Helping a homeowner who lost everything build and recover from such a traumatic experience.”

**JOIN THE TEAM THAT’S FUELING A NEW, CIRCULAR REMANUFACTURING ECONOMY.**

**FIGHTING TRASH POLLUTION BY GIVING OLD PRODUCTS NEW LIFE – WITH PROGRAMS THAT HELPED CALIFORNIA REUSE OR RECYCLE:**

- **OVER 426 BILLION BOTTLES AND CANS**
- **15.6 MILLION GALLONS OF PAINT**
- **7 MILLION MATTRESSES**
- **AND ABOUT 264 MILLION TIRES.**

“I really love working at CalRecycle because I get to do what I love. I am communicating with the public. I’m providing them with resources that will improve the environment and overall public health.”

**JOIN THE TEAM THAT’S KEEPING DANGEROUS WASTE FROM CONTAMINATING OUR MOST VULNERABLE COMMUNITIES – WITH PROGRAMS TO SAFELY MANAGE:**

- **2.5 BILLION POUNDS OF OLD ELECTRONICS**
- **2.2 BILLION GALLONS OF USED OIL**
- **AND OVER 1.5 BILLION POUNDS OF HOUSEHOLD HAZARDOUS WASTE.**

“I really wanted to work for the government because I’ve always heard that law and policy is one of the best ways to make change.”

**WE NEED INNOVATIVE, FORWARD-THINKING TEAM MEMBERS COMMITTED TO OUR ENVIRONMENTAL MISSION.**

**AT CALRECYCLE, IT’S MORE THAN JUST A JOB.**

“I get great benefits, a retirement plan and a flexible schedule”

**IT’S YOUR OPPORTUNITY TO HELP SAVE THE PLANET.**

“If you are looking for a challenge and looking for great career development, I highly recommend CalRecycle. Take advantage of the opportunities and apply now.”
