Re: CalRecycle's Completeness Review of PaintCare's Revised California Architectural Paint Stewardship Program Plan

Dear Mr. Jones,

The Department of Resources Recycling and Recovery (CalRecycle) received PaintCare's Revised California Architectural Paint Stewardship Program Plan on October 31, 2021. PaintCare resubmitted its revised plan on November 12, 2021, to replace the list of registered manufacturers with an updated list that includes addresses, as required. CalRecycle is required to determine whether the plan is complete pursuant to the California Code of Regulations (CCR), Title 14, section 18952(b)(2) and notify PaintCare of its determination within 30 days of receipt. Staff reviewed the plan and found it to be complete.

This completeness determination is separate from the compliance determination CalRecycle will now conduct (see 14 CCR sections 18952(b)(3)(A)-(D)). CalRecycle has 90 days from the date of the plan submittal (until January 31, 2022) to review the plan for compliance with the requirements in statute and regulations, and approve, disapprove, or conditionally approve the plan.

If you have any questions, please contact Stephanie Fernandes at Stephanie.Fernandes@CalRecycle.ca.gov or (916) 341-6496.
