Re: CalRecycle's Completeness Review of PaintCare's 2021 Annual Report

Dear Ms. Dorr,

The Department of Resources Recycling and Recovery (CalRecycle) received PaintCare's 2021 Annual Report on November 5, 2021. CalRecycle is required to determine whether the annual report is complete pursuant to the California Code of Regulations (CCR), Title 14, section 18952(c)(2) and notify PaintCare of its determination within 30-days of receipt. Staff reviewed the annual report and found it complete.

This completeness determination is separate from the compliance determination CalRecycle will now conduct (per 14 CCR sections 18952(c)(3)(A)-(D)). CalRecycle has 90-days from the date of the annual report receipt (until February 4, 2022) to review the annual report and PaintCare's program for compliance with the requirements in statute, regulations, and PaintCare's stewardship plan, and adopt a finding of compliance, noncompliance, or conditional approval.

If you have any questions, you may contact Stephanie Fernandes at Stephanie.Fernandes@CalRecycle.ca.gov or (916) 341-6496.

Sincerely,

Dated: December 6, 2021
