Grant Cycle Overview

The Department of Resources Recycling and Recovery (CalRecycle) offers the SB 1383 Local Assistance Grant Program pursuant to Chapter 395, Statutes of 2016. Eligible Applicants

California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating entities are charter cities or Joint Powers Authorities that include charter cities, the lead participating entity must certify on the Detail tab of the application that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this application. If it is determined after award that an applicant or participating entity is a charter city prohibited from receiving state funds for this grant project, the grant will be terminated and any disbursed grant funds shall be returned to CalRecycle.

Eligible applicants include:

- City
- County
- City and county
- Regional or Joint Powers Authorities
- Special Districts that provide solid waste collection services

Individual Application

An Individual Application is one in which a single eligible entity will be responsible for grant implementation. The applicant in an Individual Application will be responsible for the performance of the grant and all related documentation. In addition, the applicant will be the only entity receiving any real or personal property that is purchased with grant funds.

Regional Application

Local governments may join together in a Regional Application in which two or more eligible jurisdictions join together for the purpose of grant implementation. A Regional Lead Participant must be designated to act on behalf of all Non-Lead Participants. The Lead Participant is the applicant, and if awarded, will be the grantee responsible for the performance of the grant and all required documentation. CalRecycle will direct all official correspondence and grant payments to the Lead Participant. If a jurisdiction is a Non-Lead Participant in a Regional Application, it may not apply individually.

Joint Powers Authority Application Requirements

Joint Powers Authorities (JPA) may submit a grant application as an individual applicant. An entity may not submit an individual application if that entity is also a member of an applicant JPA. In addition to the requirements for an Individual Application, a JPA must upload a copy of its JPA Agreement.

The JPA Agreement must:

1. Give authority over solid waste management.
2. List all member entities.
3. Contain the signature of all members.

Eligible Projects/Products

Eligible activities and costs include:

- Capacity Planning
- Collection
- Edible Food Recovery
- Education and outreach (includes organic waste & edible food recovery)
- Enforcement and Inspection
- Program Evaluation/Gap Analysis
- Procurement Requirements (using recycled organic products – compost, mulch, electricity, and/or renewable gas and recycled paper and paper products)

- CalRecycle will distribute remaining funds to eligible entities based on per capita calculations using the Department of Finance’s January 2021 population statistics.

Ordinance Requirement

Applicants must identify the status of adopting an enforceable ordinance(s), or similarly enforceable mechanism, pursuant to section 18981.2 of Title 14 of the California Code of Regulations.

Applicants who certify they will adopt an ordinance to CalRecycle by April 1, 2022, will be eligible to receive first round funding (Spring 2022). In addition, the first round of awardees may be eligible to receive additional remaining funds from entities who did not apply.

For applicants who adopt an ordinance after April 1, 2022, awards will be delayed to the second round.

Grant Term

The Grant Term for first round funding begins on April 1, 2022 (tentative) and ends on April 2, 2024. The Grant Term for second round funding begins on September 1, 2022 (tentative) and ends on September 2, 2024.

Questions

Refer to the [Frequently Asked Questions page](https://www.calrecycle.ca.gov/organics/slcp/owrlocalassistancegrant/faq202122) (<https://www.calrecycle.ca.gov/organics/slcp/owrlocalassistancegrant/faq202122>). If your answer is not listed, send your question to grants@CalRecycle.ca.gov.

Public Records Requests

CalRecycle's policy is to make records requested by the public promptly available in accordance with the laws governing disclosure of records and information to the public. In general, all records in the possession of a state agency are public records subject to disclosure, unless a law provides that a particular kind of record or information is not a public record or is exempt or prohibited from disclosure.

Upon request, the entire contents of the submitted application are subject to public records requests. This may include contact information, project summary, uploaded documents, and scoring information. Public records may be requested from CalRecycle through the [California Public Records Act Requests web page](https://www2.calrecycle.ca.gov/Forms/ContactUs/PublicRecordsRequest/) (<https://www2.calrecycle.ca.gov/Forms/ContactUs/PublicRecordsRequest/>).

Confidentiality

The following describes the treatment of certain confidential or proprietary information under the California Public Records Act (Government Code 6250, et seq.) and related regulations. It also describes how questions are resolved on whether information is truly confidential, the legal protections for confidential information, and internal and program procedures to maintain confidentiality.

Confidential or Proprietary Information

Title 14 of the California Code of Regulations (14 CCR), [sections 17041-17046](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), states that confidential or proprietary information shall include, but is not limited to:

- Personal or business-related financial data, customer client lists, supplier lists and other information of a proprietary or confidential business nature provided by persons in applications, reports, returns, certifications or other documents submitted to [CalRecycle] which if released would result in harmful effects on the person's competitive position.
- Tax information prohibited from disclosure, pursuant to the Revenue and Taxation Code.

Accordingly, appropriate documents submitted with an application that are clearly marked, on each page, “confidential or proprietary information” will be treated by CalRecycle pursuant to the procedures set forth in 14 CCR sections 17041-17046. However, the law does not treat documents marked as “confidential or proprietary information” (such as sales brochures, promotional literature and other general non-financial documents) as confidential if they do not fall within the categories of protected financial documents listed above.

What if there is a question about what is confidential?

If CalRecycle receives a request to disclose data claimed by the applicant to be confidential, CalRecycle would notify the applicant of the request and state that the documents were under review to determine whether information was correctly identified as “confidential.” If there was any question as to whether specific information was confidential, CalRecycle would contact the person(s) identified in the application to provide a justification and statement why the information is confidential. The process for evaluating confidentiality claims is set forth in section 14 CCR 17046.

What procedures does CalRecycle have in place to ensure that confidential information is kept confidential?

Confidential or proprietary information will be evaluated and analyzed only by CalRecycle staff, kept confidential, and will be maintained with restricted access. Records no longer needed to provide the services offered under the grant program are periodically destroyed, when allowed by audit policies and state law.

After you have completed each tab of the application and uploaded the required documents, generate the Application Certification from the Summary tab. Once the Application Certification is signed, upload it to the Documents tab.

Applicant’s Required Authorization Documents

Below is a list of required authorizing documents by application type that the applicant is responsible for preparing and uploading to their application.

Note: For Resolution, Letter of Authorization, and Letter of Designation templates refer to the [CalRecycle Resolution and Letter Examples](https://www.calrecycle.ca.gov/Funding/SampleDocs) (<https://www.calrecycle.ca.gov/Funding/SampleDocs>) web page. CalRecycle staff are available to answer questions about the Resolution or to review your draft Resolution to ensure it meets the requirements of the grant program. You may upload the Resolution to your application as a “Draft Resolution,” or, for immediate review, email it to grantassistance@calrecycle.ca.gov.

Individual Application Authorization Documents:

If **subject to a governing body** the applicant must submit a Resolution no later than the secondary due date or CalRecycle will deem the application incomplete and your application will be moved to the second funding round. The Resolution must:

1. Authorize submittal of an application for one or more specifically named CalRecycle grant(s), payment programs, or for all CalRecycle grants or payment programs for which the applicant is eligible.
2. Identify the time period, up to five years, during which the authorizations are valid.
 - a. Five years is encouraged; however, periods of less than five years are acceptable.
3. Identify the Signature Authority by listing the job title of the person(s) authorized to sign all grant-related documents necessary to implement and close-out the grant(s).
 - a. (Optional but encouraged) The Resolution should authorize the Signature Authority to delegate their signature authority to another person identified by job title. Applicants can only submit a Letter of Designation if the corresponding Resolution includes designee language.

Note: The Signature Authority must sign a Letter of Designation **prior** to the designee's exercise of their authority.

Regional Application Authorization Documents:

Lead Participant

Applicant must submit a Resolution no later than the secondary due date or CalRecycle will deem the application incomplete and your application will be moved to the second funding round.

The Resolution must:

1. Authorize submittal of a Regional Application on behalf of itself as Lead Participant and all other Non-lead Participants for a specifically named CalRecycle grant or payment program.
2. Identify the time period, up to five years, during which the authorizations are valid.
 - a. Five years is encouraged; however, periods of less than five years are acceptable.
 - i. A Resolution that is valid for more than one year must contain either:
 1. A list of all potential jurisdictions that may serve as Non-Lead Participants, or
 2. A provision that the Signature Authority may alter the list of Non-Lead Participants for each grant cycle.
3. Identify the Signature Authority by listing the job title of the person(s) authorized to sign all grant-related documents necessary to implement and close-out the grant(s).
 - a. (Optional but encouraged) The Resolution should authorize the Signature Authority to delegate their signature authority to another person identified by job title. Applicants can only submit a Letter of Designation if the corresponding Resolution includes designee language.

Non-Lead Participant

The Non-Lead Participant prepares the Letter of Authorization (LOA) and gives the Lead Participant authorization to apply for and to act on its behalf in the implementation and administration of the grant or payment program.

Applicant must submit a Letter of Authorization no later than the secondary due date or CalRecycle will remove the Non-Lead Participant(s) from the application.

The LOA must:

1. Be on the Non-Lead Participant's official letterhead.
2. Specify grant or payment program name.
3. Be valid for as long as the Lead Participant's Resolution, not to exceed five years; otherwise, the participating entity must date the letter within the last 12 months.
4. Authorize the Lead Participant to submit a Regional Application and act as Lead Agency on behalf of the Non-Lead Participant.
5. Authorize the Lead Participant to execute all documents necessary to implement the grant or payment program.
6. Be signed by an individual authorized to contractually bind the Non-Lead Participant.

Joint Powers Authority Agreement

Joint Powers Authorities (JPA) must upload a copy of their JPA Agreements giving them authority to conduct the project, listing all member entities, and containing the signature of all members. CalRecycle does not require Letters of Authorization for JPA applicants. A JPA applicant must still upload a Resolution as a part of their application and list all JPA members as Non-Lead Participants on the Applicant/Participant tab.

Letter of Designation

CalRecycle requires a Letter of Designation (LOD) only when the Signature Authority identified in the approved Resolution chooses to delegate their signature authority to another person.

The approved Resolution must indicate the Signature Authority's ability to delegate or designate their authority. The applicant must upload the LOD **prior** to the designee's exercise of their authority. If the designee signs an application document in place of the Signature Authority, the applicant must upload the LOD with their application.

The LOD must:

1. Be on the applicant's letterhead.
2. Include the job title of the designee and the scope of the designee's authority.
3. Include the time period during which the designee may exercise the authority.
4. Be signed by the Signature Authority.

The designee's authority may not extend beyond the effective date of the approved Resolution. For example, if the Resolution is effective until December 31, 2022, then the Letter of Designation may not be effective beyond December 31, 2022. If the letter does not identify a valid time period, the letter will follow the same time frame as the Resolution.
