Register for SB 1383 Training Part Three

CalRecycle is pleased to announce that [registration](#) is open for Part Three of the SB 1383 Training Trilogy. The SB 1383 Part Three training will focus on gray container waste evaluations, solid waste handling at consolidation sites and co-located activities, digestate handling requirements, requirements for new or expanding landfills, public meetings, the organic disposal reduction Status Impact Report (SIR), and updates to the Enforcement Program Plan (EPP). The SB 1383 Part Three training will also review the material covered in [Part One](#) and [Part Two](#) of the training trilogy.

There are five sessions available for the virtual training, which will consist of presentations, activities, quizzes, and a live Q&A session with CalRecycle subject matter experts. Two REHS Continuing Education Units (CEUs) are being offered for this training.
