Solid Waste Facility Operator Announcement Listserv Now Available

CalRecycle invites solid waste facility and operations staff to sign up for the [Solid Waste Facility Operator Announcement listserv](#). This listserv is an open-subscription mailing list used to send announcements and training opportunities to solid waste facility operators and will replace the current Operator-All email list. Solid waste facilities and operations include landfill, composting, material recovery, transfer/processing, construction and demolition debris processing, and anaerobic digestion activities.

Solid waste facility staff or operators must opt in to the listserv by signing up on [CalRecycle's Listserv webpage](#). Click the following for a direct link to the [Solid Waste Facility Operator Announcement listserv](#). Local Enforcement Agencies (LEAs) are encouraged to share the listserv with their operators.

Please direct any questions about the Solid Waste Facility Operator Announcement listserv to LEAInfo@calrecycle.ca.gov.

This announcement is being sent on behalf of the Permitting and Assistance Branch, CalRecycle.
