

DEPARTMENT OF RESOURCES RECYCLING AND RECOVERY

2022 RULEMAKING CALENDAR

Pursuant to Government Code section 11017.6, CalRecycle is required to file a rulemaking calendar identifying reasonably anticipated rulemaking actions needed to interpret implementing statutes for the upcoming year. This list is intended to comprise all reasonably anticipated rulemaking activities for the year. Please note that not all of these entries will be undertaken by the Department this year, and the decision on whether to proceed will be driven by priorities and available resources.

For the most accurate status on a rulemaking, please check the Proposed Regulations (Rulemaking) website for any relevant updates to the rulemaking action at <https://calrecycle.ca.gov/Laws/Rulemaking/>. This webpage will have any information related to any upcoming workshops or how to submit comments. If there is no rulemaking page for the item you are looking for, then a workshop has not yet been scheduled nor are comments yet being accepted.
