Dear Ms. Haas,

The Department of Resources Recycling and Recovery (CalRecycle) joins the EAC in thanking David Thompson for his service, commitment, and contributions to the Enforcement Advisory Council, representing the Southern Cities Local Enforcement Agencies.

David's leadership and knowledge in the solid waste field proved invaluable in discussions and in finding solutions for complex issues in the field of Environmental Health. We appreciate David's involvement in promoting and advancing the ongoing partnership between LEAs and CalRecycle.

EAC's partnership is greatly valued by CalRecycle in providing consistent enforcement of solid waste mandates for each jurisdiction. We rely on the EAC to assist CalRecycle in solid waste programs, trainings, and other technical matters related to effective solid waste management.

Sincerely,
