Re: Mattress Recycling Council Amended *Used Mattress Recovery and Recycling Plan* Completeness Review

Dear Mr. Trainer,

The Department of Resources Recovery and Recycling (CalRecycle) received the Mattress Recycling Council's (MRC) amended *Used Mattress Recovery and Recycling Plan (Plan)* on April 25, 2022. CalRecycle is required to determine whether the *Plan* is complete pursuant to the California Code of Regulations (CCR), Title 14, section 18962(c) and notify MRC of its determination within 30 days of receipt. Staff reviewed the *Plan* and found it to be complete. This completeness determination is separate from the compliance determination CalRecycle will now conduct (see 14 CCR sections 18962(c) to (f)). CalRecycle has 90 days from the date of the *Plan* submittal (until July 25, 2022) to review the *Plan* for compliance with the requirements in statute and regulations, and approve, disapprove, or conditionally approve the *Plan*.

If you have any questions, please contact Sophia O'Meara at Sophia.OMeara@CalRecycle.ca.gov or (916) 323-0732.
