Grant Cycle Overview

The Department of Resources Recycling and Recovery (CalRecycle) offers the Household Hazardous Waste (HHW) Grant Program pursuant to Section 47200(a) of the Public Resources Code. The purpose of the grant is to assist local governments in implementing safe HHW programs, which may include public education, source reduction, reuse, recycling, load checking and collection components.

This resource document provides applicants with instructions to access and complete the application online and information about grant administration. The web-based application is in CalRecycle's [Grants Management System \(GMS\)](https://www.calrecycle.ca.gov/Funding/GMS/) (<https://www.calrecycle.ca.gov/Funding/GMS/>). The applicant will need to sign into GMS to complete and submit an application.

Note: The following terms used in this document are defined below, unless the context clearly indicates otherwise:

- “Applicant” refers to either the legal name of the entity that is legally responsible for grant administration and any entity that will receive and control grant funded equipment, if awarded, or to a person who is completing an application on behalf of the Applicant (this is usually the primary contact listed on the application, but could also be the secondary contact, signature authority, or consultant).
- “You” refers to a person who is completing the application on behalf of the Applicant.

Timeline

June 9, 2022: Questions and Answers Period Due Date

- Applicants or interested parties may submit questions from the application release date to this date.
- Applicants or interested parties must submit questions by email.

June 16, 2022 (tentative): Questions and Answers Posted

- CalRecycle will post all answers to questions on the CalRecycle website that were submitted during Question and Answer Period.

June 30, 2022: Application Due Date

- Applicants must submit applications in GMS by 11:59 p.m. on this date.
- Customer service will be available until 4:00 p.m. on this date.

July 28, 2022: Secondary Due Date

- Approved Resolution must be uploaded in GMS by this date if it was not submitted with the application.
- Applicant must have an Environmentally Preferable Purchasing and Practices Policy by this date.

September 2022 (tentative): Grants Awarded

- CalRecycle considers funding recommendations, and if approved, conditionally awards grants during this month.

Notice to Proceed – September 30, 2026: Grant Term

For milestones that take place during the grant term, refer to the Procedures and Requirements document.

Eligible Applicants

California Labor Code section 1782 prohibits a charter city from receiving state funding or financial assistance for construction projects if that charter city does not comply with Labor Code sections 1770-1782. If any applicants or participating entities are charter cities or Joint Powers Authorities that include charter cities, the lead participating entity must certify on the Detail tab of the application that Labor Code section 1782 does not prohibit any included charter city from receiving state funds for the project described in this application. If it is determined after award that an applicant or participating entity is a charter city prohibited from receiving state funds for this grant project, the grant will be terminated and any disbursed grant funds shall be returned to CalRecycle.

Only one application per qualifying entity will be accepted. Eligible applicants may submit an individual or regional application. One entity must be identified as the lead applicant in the regional application to act on behalf of itself and its participating jurisdictions. The grants are available to:

- Local governments (cities, counties, and city and counties) as defined in Public Resources Code section 30109 that have direct responsibility for HHW management.
- Regional or local sanitation agencies and waste agencies, having direct responsibility for HHW management.
- Joint Powers Authorities (JPA) if the JPA agreement includes solid and/or hazardous waste management responsibilities.
- Qualifying Tribal Entities with direct responsibility for HHW management. A “Qualifying Tribal Entity” is defined as an Indian tribe, band, nation or other organized group or community, residing within the borders of California, which:
 - (1) Is recognized for special programs and services provided by the United States to Indians because of the status of its members as Indians; or
 - (2) Can establish that it is a government entity and meets the criteria of the grant program.

If an applicant submits more than one application, it will be the applicant’s responsibility to decide which application should go forward. If the additional application(s) are not withdrawn, all applications from that applicant will be disqualified, and that applicant will be eliminated from any regional application of which it is a part. Applicants with open CalRecycle grants must be in good standing and comply with grant reporting requirements before they can receive a HHW grant.

Individual Application

An Individual Application is one in which a single eligible entity will be responsible for grant implementation. The applicant in an Individual Application will be responsible for the performance of the grant and all related documentation. In addition, the applicant will be the only entity receiving any real or personal property that is purchased with grant funds.

Regional Application

Local governments may join together in a Regional Application in which two or more eligible jurisdictions join together for the purpose of grant implementation. A Regional Lead Participant must be designated to act on behalf of all Non-Lead Participants. The Lead Participant is the applicant, and if awarded, will be the grantee responsible for the performance of the grant and all required documentation. CalRecycle will direct all official correspondence and grant payments to the Lead Participant. If a jurisdiction is a Non-Lead Participant in a Regional Application, it may not apply individually.

Joint Powers Authority Application Requirements

Joint Powers Authorities (JPA) may submit a grant application as an individual applicant. An entity may not submit an individual application if that entity is also a member of an applicant JPA. In addition to the requirements for an Individual Application, a JPA must upload a copy of its JPA Agreement.

The JPA Agreement must:

1. Give authority over solid waste management.
2. List all member entities.
3. Contain the signature of all members.

Note: An entity may not submit an individual application if that entity is also a member of an applicant JPA.

Eligible Projects/Products

This grant cycle offering is designed to fund construction projects that establish new or expand existing HHW programs in California. HHW construction projects do not qualify for CalRecycle grant funding unless they are past the design phase of the project and are prepared for construction (shovel ready). Applicants must have completed proper site analysis, conceptual design and most of the local approval processes. The permitting, licensing and siting approval process must be well underway. Applicants must provide documentation by providing a completed General Checklist of Business Permits, Licenses and Filings form (CalRecycle 669). The applicant must convincingly indicate that they are beyond the planning phase of the construction project and can successfully complete the HHW construction project before the Grant Term ends (date of Notice to Proceed email to September 30, 2026).

Grant applications must indicate one of the following types of projects:

- Construction of a new Permanent HHW Collection Facility or Recycle-Only HHW Collection Facility.
- A construction project that expands/upgrades an existing Permanent HHW Facility or Recycle-Only Collection Facility necessary to provide new or expand programs and services, operation efficiency, capacity, and collection.

Available Funds

- \$ 500,000 is available for this grant cycle, fiscal year 2022–23, subject to funding availability.
- \$ 250,000 is the maximum available for individual and regional grant awards.

Grant Term

The Grant Term begins on the date the CalRecycle sends the Notice to Proceed email. The Grant Term ends on September 30, 2026.

For detailed information about requirements within the grant term, refer to the Procedures and Requirements document.

Eligible and Ineligible Costs

Grantees may incur eligible costs only during the Grant Term. For detailed information about eligible and ineligible costs, refer to the Procedures and Requirements document.

Environmentally Preferable Purchases and Practices Policy Requirement

Consistent with CalRecycle's core values, CalRecycle requires all applicants to have or develop, adopt, and implement an Environmentally Preferable Purchasing and Practices (EPPP) Policy for their organizations.

Applicants who have an EPPP Policy in place prior to submitting their application must certify to this fact on the Detail tab in the application. If applicants do not have an EPPP Policy in place prior to submitting their application, they must certify to the fact that a Policy will be adopted by the secondary due date on the Detail tab in the application.

Some additional practices that CalRecycle encourages organizations to include in their EPPP Policies are:

- Buildings and Grounds
 - All building and renovations follow the green building practices for design, construction and operation, where appropriate, as described in the Leadership in Energy and Environmental Design [Green Building Rating System](https://www.usgbc.org/resources/leed-v4-building-design-and-construction-current-version) (<https://www.usgbc.org/resources/leed-v4-building-design-and-construction-current-version>).
- Continual Improvement
 - Training is provided to new and existing employees.
 - Organization regularly evaluates and/or improves implementation of EPPP policy.

Additional EPPP Policy resources include:

- [Tools and Resources](https://www.calrecycle.ca.gov/EPP/Resources/) (<https://www.calrecycle.ca.gov/EPP/Resources/>)
- [Laws and Policies](https://www.calrecycle.ca.gov/EPP/LawPolicy/) (<https://www.calrecycle.ca.gov/EPP/LawPolicy/>)
- [Responsible Purchasing Network](http://www.responsiblepurchasing.org/purchasing_guides/all/policies/) (http://www.responsiblepurchasing.org/purchasing_guides/all/policies/)

Note: For Regional Applications, the Lead and Non-Lead Participants will each need an EPPP Policy. If a Joint Powers Authority (JPA) applies, only the JPA needs an EPPP Policy.

For more information, visit the [EPPP Frequently Asked Questions web page](https://www.calrecycle.ca.gov/Funding/EPPPQandA) (<https://www.calrecycle.ca.gov/Funding/EPPPQandA>).

Questions and Answers Process

Questions regarding the application and its requirements must be emailed to grants@calrecycle.ca.gov. CalRecycle must receive the questions by June 9, 2022, or the questions will not be accepted.

CalRecycle may post the Questions and Answers periodically during the Questions and Answers period. Applicants or interested parties may access the Questions and Answers web page from the Notice of Funds Available web page or from the application. CalRecycle may group together similar or related questions or re-word them for clarity and respond to them as one question. CalRecycle will post all Questions and Answers approximately two weeks after the deadline. The posted Questions and Answers are subject to updates. It is the applicant's responsibility to check the Questions and Answers web page for the latest information.

Public Records Requests

CalRecycle's policy is to make records requested by the public promptly available in accordance with the laws governing disclosure of records and information to the public. In general, all records in the possession of a state agency are public records subject to disclosure, unless a law provides that a particular kind of record or information is not a public record or is exempt or prohibited from disclosure.

Upon request, the entire contents of the submitted application are subject to public records requests. This may include contact information, project summary, uploaded documents, and scoring information. Public records may be requested from CalRecycle through the [California Public Records Act Requests web page](https://www2.calrecycle.ca.gov/Forms/ContactUs/PublicRecordsRequest/) (<https://www2.calrecycle.ca.gov/Forms/ContactUs/PublicRecordsRequest/>).

Confidentiality

The following describes the treatment of certain confidential or proprietary information under the California Public Records Act (Government Code 6250, et seq.) and related regulations. It also describes how questions are resolved on whether information is truly confidential, the legal protections for confidential information, and internal and program procedures to maintain confidentiality.

Confidential or Proprietary Information

Title 14 of the California Code of Regulations (14 CCR), [sections 17041-17046](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), states that confidential or proprietary information shall include, but is not limited to:

- Personal or business-related financial data, customer client lists, supplier lists and other information of a proprietary or confidential business nature provided by persons in applications, reports, returns, certifications or other documents submitted to [CalRecycle] which if released would result in harmful effects on the person's competitive position.
- Tax information prohibited from disclosure, pursuant to the Revenue and Taxation Code.

Accordingly, appropriate documents submitted with an application that are clearly marked, on each page, "confidential or proprietary information" will be treated by CalRecycle pursuant to the procedures set forth in 14 CCR sections 17041-17046.

However, the law does not treat documents marked as “confidential or proprietary information” (such as sales brochures, promotional literature and other general non-financial documents) as confidential if they do not fall within the categories of protected financial documents listed above.

What if there is a question about what is confidential?

If CalRecycle receives a request to disclose data claimed by the applicant to be confidential, CalRecycle would notify the applicant of the request and state that the documents were under review to determine whether information was correctly identified as “confidential.” If there was any question as to whether specific information was confidential, CalRecycle would contact the person(s) identified in the application to provide a justification and statement why the information is confidential. The process for evaluating confidentiality claims is set forth in section 14 CCR 17046.

What procedures does CalRecycle have in place to ensure that confidential information is kept confidential?

Confidential or proprietary information will be evaluated and analyzed only by CalRecycle staff, kept confidential, and will be maintained with restricted access. Records no longer needed to provide the services offered under the grant program are periodically destroyed, when allowed by audit policies and state law.

Application Instructions

Application Access

The application is available in CalRecycle's web-based Grants Management System (GMS). Access to GMS is secure; therefore, you must have a CalRecycle WebPass to log in to the system. Those who have not previously obtained a CalRecycle WebPass can create an account at the [CalRecycle WebPass page](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

To start an application:

1. Log in to [GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>).
2. Select **Apply for a Grant** on the left.
 - All open grant cycles are displayed in a table.
3. Find Household Hazardous Waste HD38 FY 2022–23 and select **Start Application**.
 - A pop-up window will appear asking for contact information. If you have an existing GMS Account, the information may be auto populated.
 - GMS will automatically add you as the Primary Contact for the new grant application however; you may update this later.
4. Click **Save**.

GMS Tabs - Application Contents and Instructions

The components of the application are divided into tabs. To fill out an application, click on each tab and complete the sections in each tab as required. General directions are on the top of each tab, and detailed information about the requirements for each tab is listed below.

The applicant is responsible for a complete application. This includes signing documents, uploading required documents, and submitting the application by the due date(s). Failure to do so will result in disqualification from the Household Hazardous Waste Grant Program.

Examples of disqualifications may include:

- Applicant does not meet the eligibility requirements.
- Project is not eligible.
- Applicant fails to use required CalRecycle documents or forms.
- Applicant uploads incomplete or blank documents to the Documents tab.
- Signature Authority fails to sign Application Certification or any document that requires a signature.
- The online application is incomplete or missing information.
- Applicant fails to adopt an EPPP Policy by the secondary due date.

Summary Tab

This tab provides a summary of the application, due dates, resource documents and links, application documents, and the Application Submission section. It is the applicant's responsibility to submit all required documents, based on the particular grant application/project, by the appropriate due date.

Applicant/Participant Tab

The applicant name is the legal name of the entity that is legally responsible for grant administration, if awarded.

1. Select the **Add Applicant/Participant** button and type in the **Applicant Name** and **County**. Do not enter your personal name.
2. Search the table for the correct applicant name and select **Add Applicant/Participant**.
3. Choose the **Lead Participant** radio button and click **Save**.
 - Every application must have a Lead Participant even if it is an individual application with no Non-Lead Participants.

If the Participant Search List does not contain your Applicant/Participant name:

1. Click on **Add New Applicant/Participant**.
2. Enter the **Applicant/Participant Name** as it appears on the Resolution. Do not include the department or unit name. Do not enter your personal name.
 - List county names with the name first followed by the word "County," e.g., "Sacramento County."
 - List city names as "City of" followed by the city's name, e.g., "City of Sacramento."
3. Complete all required fields then click **Save**.

For Regional or Joint Powers Authority Applications, add the name of each eligible Non-Lead Participant and select the Participating Jurisdiction radio button.

For a list of eligible applicants, please see the Grant Cycle Overview section titled "Eligible Applicants."

Detail Tab

Complete this tab as follows:

1. Enter a dollar amount in the **Grant Funds Requested** field. Do not exceed the maximum grant award amount of \$250,000. Please round all amounts to the nearest whole dollar.
2. Enter the **Assembly Districts and Senate Districts**. To select more than one district hold the "Ctrl" key while selecting the numbers.
3. Enter the applicant's **Department Name**, e.g., "General Services." If the applicant does not have a department, enter the applicant's name.
4. Enter the grant payment mailing address.
5. **Project Summary/Statement of Use**: Provide a brief description of your project (three to five sentences).
6. Select the appropriate option for the Resolution Requirement and optional Letter of Designation.
7. Select the appropriate option for the Environmentally Preferable Purchasing and Practices Policy.
8. Select the appropriate answer for Program Questions.

Contacts Tab

CalRecycle requires the application to have only one Primary Contact and at least one Signature Authority. Each application contact may be granted access by checking the

box on the top of the contact's detail screen. The contact will be able to log in to GMS using their own CalRecycle WebPass and access the application.

Note: CalRecycle requires a valid email address for the Signature Authority in order to route the Grant Agreement, if awarded.

- **Primary Contact.** One person who the Signature Authority or their designee has authorized to manage and oversee the grant. This person will be the first contact with whom the Grant Manager will communicate.
- **Signature Authority.** The person(s) authorized to sign CalRecycle documents, such as grant applications, grant agreements, etc., as authorized by a board/council-adopted Resolution and/or Letter of Designation.
- **Secondary Contact.** A person authorized (by the Primary Contact or Signature Authority or their designee) as the alternate person with whom the Grant Manager will communicate. (Not required.)
- **Consultant.** A professional who provides advice in an area of expertise. If CalRecycle awards a grant to the applicant, the consultants may manage the grant or only conduct specific activities, based on a written agreement between the applicant and the consultant outlining work to be performed. (Not required.)

Budget Tab

Complete the budget document provided in GMS. Utilizing a document form other than the official CalRecycle versions, tampering with the CalRecycle version, or otherwise circumventing imposed character limits, may subject the applicant to disqualification. Transfer the total of each budget category from the document into the Budget tab. The budget document must be uploaded in the Documents tab and the budget amounts must match those entered in the Budget tab. The total must equal the Grant Funds Requested amount shown on the Detail tab.

Site(s) Tab

All applications must contain project site(s) information. Enter the **Site Name**. Use the drop-down arrow of the **Site Type** and select **HHW Facility**. Type in the complete address and select the County. Enter the **Budget Amount** for this site and type a brief **Summary** of the project in the space provided. Repeat the steps above if you have multiple project sites.

Documents Tab

See the Application Documents section in the Summary tab for documents that must be uploaded in the Documents tab.

When uploading a document, enter a document title, select the appropriate document type from the drop-down list, and enter the date that it was executed/signed, if applicable, or select "today's date." Utilizing a document form other than the official CalRecycle versions, tampering with the CalRecycle version, or otherwise circumventing imposed character limits may subject the applicant to disqualification.

Application Submittal and Deadline

The **Submit Application** button located in the Summary tab will be enabled after all required documents have been uploaded.

Click the **Submit Application** button and the application status will change to **Submitted**. You can only submit the application once; however, you may upload the following documents until the secondary due date: Resolution, Letter of Designation, Letters of Authorization, and JPA Agreements.

You must submit your application no later than 11:59 p.m. on June 30, 2022. Customer service will be available until 4:00 p.m. on the application due date either by emailing grantassistance@calrecycle.ca.gov or calling Melissa Sanford at (916) 341-6104.

Note: Applications that are not submitted by the due date will be deleted from GMS.

Application Documents

Electronic and Original Signatures

CalRecycle now allows for certified e-Signature or original wet signature on documents or forms that certify legally binding information.

Note: E-signatures must include the first and last name of the Signature Authority, be in the Adobe Digital ID format (or through another certified digital signature program) and cannot be completed using the “Fill and Sign” function within Adobe. Any documents using the “Fill and Sign” function, is considered incomplete and may be sent back to the applicant.

Once the document(s) have been signed by the Signature Authority, upload the digitally signed document, or scan the wet signature and save it to GMS. Retain the original document for potential CalRecycle audits. See Audit Considerations section of the Procedures and Requirements document for more information.

If you have questions, email grantassistance@calrecycle.ca.gov.

CalRecycle Documents

CalRecycle documents are on the Summary tab in the Application Documents section. To access a document, click on the link, open it up, fill it out, save it to your computer, and upload it to the Documents tab. If you are having trouble with a document, email grantassistance@calrecycle.ca.gov or call (916) 341-6104.

Altered or reproduced CalRecycle documents or templates may result in automatic disqualification of your application. Unless a document specifies that it may be reproduced as necessary, **do not** alter CalRecycle documents.

Below is a list of CalRecycle documents:

Application Certification

The Application Certification is a required application document that must be generated from GMS.

After you have completed each tab of the application and uploaded the required documents, generate the Application Certification from the Summary tab. Once the Application Certification is signed, upload it to the Documents tab.

Budget

The Budget document is a required application document that must be submitted as an Excel file (**do no convert to a PDF**). Provide a clear accounting of all costs associated with your project. Budget items should relate to Work Plan activities and information in the Narrative Proposal. Budget documentation, including but not limited to, quotes, estimates, and equipment details, should be uploaded to GMS to support grant costs claimed in your Budget. Utilizing a document form other than the official CalRecycle version or tampering with the CalRecycle version will subject the applicant to disqualification from the HHW Grant Program.

Narrative Proposal

The Narrative Proposal is a required application document used to describe the details of your proposed project. The response size for each section is limited to 2,500 characters and cannot be expanded. Utilizing a document form other than the official CalRecycle version, tampering with the CalRecycle version or otherwise circumventing imposed character limits will subject the applicant to disqualification from the HHW Grant Program.

Each section of this form must have a response. Ensure your narrative responses are concise, detailed, and most importantly, address each of the criteria.

After you complete this document, use the “save as” command and save the file in the following format: **NP_name of your organization_HD38.pdf** (ex: NP_CityofCalifornia_HD38.pdf) then upload it within the Documents Tab.

Work Plan

The Work Plan, a required application document, must list the major activities, steps or tasks necessary to implement and complete your project. Provide a logical timeframe in chronological order for all proposed grant activities. Utilizing a document form other than the official CalRecycle version, tampering with the CalRecycle version or otherwise circumventing imposed character limits will subject the applicant to disqualification from the HHW Grant Program.

Applicant’s Required Authorization Documents

Below is a list of required authorizing documents by application type that the applicant is responsible for preparing and uploading to their application.

Note: For Resolution, Letter of Authorization, and Letter of Designation templates refer to the [Resolution and Letter Examples](https://www.calrecycle.ca.gov/Funding/SampleDocs) (<https://www.calrecycle.ca.gov/Funding/SampleDocs>) web page. CalRecycle staff are available to answer questions about the Resolution or to review your draft Resolution to ensure it meets the requirements of the grant program. You may upload the Resolution to your application as a “Draft Resolution” or, for immediate review, email it to grantassistance@calrecycle.ca.gov.

Individual Application Authorization Documents:

If **subject to a governing body**, the applicant must submit a Resolution no later than the secondary due date or CalRecycle will deem the application incomplete and disqualify the applicant. The Resolution must:

1. Authorize submittal of an application for one or more specifically named CalRecycle grant(s) or for all CalRecycle grants for which the applicant is eligible.
2. Identify the time period, up to five years, during which the authorizations are valid.
 - a. Five years is encouraged; however, periods of less than five years are acceptable.
 - b. If a Resolution does not specify a time period, CalRecycle will consider the Resolution valid for one year from the date of adoption.
3. Identify the Signature Authority by listing the job title of the person(s) authorized to sign all grant-related documents necessary to implement and close-out the grant(s).

- a. (Optional but encouraged) The Resolution should authorize the Signature Authority to delegate their signature authority to another person identified by job title. Applicants can only submit a Letter of Designation if the corresponding Resolution includes designee language.

Note: The Signature Authority must sign a Letter of Designation **prior** to the designee's exercise of their authority.

Regional Application Authorization Documents:

Lead Participant

Applicant must submit a Resolution no later than the secondary due date or CalRecycle will deem the application incomplete and disqualify the applicant.

The Resolution must:

1. Authorize submittal of a Regional Application on behalf of itself as Lead Participant and all other Non-lead Participants for a specifically named CalRecycle grant.
2. Identify the time period, up to five years, during which the authorizations are valid.
 - a. Five years is encouraged; however, periods of less than five years are acceptable.
 - i. A Resolution that is valid for more than 1 year must contain either:
 1. a list of all potential jurisdictions that may serve as Non-Lead Participants, or
 2. a provision that the Signature Authority may alter the list of Non-Lead Participants for each grant cycle.
 - b. If a Resolution does not specify a time period, CalRecycle will consider the Resolution valid for one year from the date of adoption.
3. Identify the Signature Authority by listing the job title of the person(s) authorized to sign all grant-related documents necessary to implement and close-out the grant(s).
 - a. (Optional but encouraged) The Resolution should authorize the Signature Authority to delegate their signature authority to another person identified by job title. Applicants can only submit a Letter of Designation if the corresponding Resolution includes designee language.

Non-Lead Participant

The Non-Lead Participant prepares the Letter of Authorization (LOA) and gives the Lead Participant authorization to apply for and to act on its behalf in the implementation and administration of the grant/program.

Applicant must submit a Letter of Authorization no later than the secondary due date or CalRecycle will remove the Non-Lead Participant(s) from the application.

The LOA must:

1. Be on the Non-Lead Participant's official letterhead.
2. Specify grant program name.
3. Be valid for as long as the Lead Participant's Resolution, not to exceed five years; otherwise, the participating entity must date the letter within the last 12 months.
4. Authorize the Lead Participant to submit a Regional or Collaborative Application and act as Lead Agency on behalf of the Non-Lead Participant.

5. Authorize the Lead Participant to execute all documents necessary to implement the grant.
6. Be signed by an individual authorized to contractually bind the Non-Lead Participant.

Joint Powers Authority Agreement

Joint Powers Authorities (JPA) must upload a copy of their JPA Agreements giving them authority to conduct the project, listing all member entities, and containing the signature of all members. CalRecycle does not require Letters of Authorization for JPA applicants. A JPA applicant must still upload a Resolution as a part of their application and list all JPA members as Non-Lead Participants on the Applicant/Participant tab.

Letter of Designation

CalRecycle requires a Letter of Designation (LOD) only when the Signature Authority identified in the approved Resolution chooses to delegate their signature authority to another person.

The approved Resolution must indicate the Signature Authority's ability to delegate or designate their authority. The applicant must upload the LOD **prior** to the designee's exercise of their authority. If the designee signs an application document in place of the Signature Authority, the applicant must upload the LOD with their application.

The LOD must:

1. Be on the applicant's letterhead.
2. Include the job title of the designee and the scope of the designee's authority.
3. Include the time period during which the designee may exercise the authority.
4. Be signed by the Signature Authority.

The designee's authority may not extend beyond the effective date of the approved Resolution. For example, if the Resolution is effective until December 31, 2022, then the Letter of Designation may not be effective beyond December 31, 2022. If the letter does not identify a valid time period, the letter will follow the same time frame as the Resolution.

Grant Review and Award Process

Grant Application Review Process

After the close of the application period, CalRecycle staff will review the applications for completeness and eligibility. Only complete applications will be considered for award.

An evaluation system will focus on the overall approach and project, methodology, qualification/resources, and past work references of the proposal narrative. Staff will use the following scoring system to assign points: 0 points = inadequate, 1 point = barely adequate, 2 points = adequate, and 3 points = excellent or outstanding. Conditional bonus points are available for rural areas, small cities, and regional applicants, as well as for construction projects in underserved areas. Points are also available for those jurisdictions that were not awarded in Cycles 34 and 36.

Grant Award Process

For qualifying applications, CalRecycle staff will develop funding recommendations for the consideration and approval of CalRecycle's Director, or their designee; CalRecycle tentatively schedules this for September 2022. CalRecycle reserves the right to partially fund or fund individual phases of selected proposals, and CalRecycle may fund an amount less than requested.

CalRecycle reserves the right to not award any grant funds under one or more cycles.

Grant Award Conditions

When awarded, this grant will be subject to two conditions:

1. The recommended grantee must pay all outstanding debts due to CalRecycle, or bring current outstanding payments owed to CalRecycle, within 60 days of the award email date.
2. The recommended grantee's Signature Authority (or their delegated signature authority) must sign and return the Grant Agreement to CalRecycle. CalRecycle must receive the signed Grant Agreement within 60 days of the date of the award email.

Failure to comply with either condition will void the grant award.

Grant Program Administration

Grant Agreement

The Grant Agreement binds the Grantee to CalRecycle's requirements as outlined in the Grant Agreement documents. CalRecycle now sends the Grant Agreement Cover Sheet electronically to allow for a certified e-signature using Adobe Sign.

These documents shall guide the grantee's administration of the grant project.

Following CalRecycle's conditional approval of the grant awards, we will email grantees the information below.

- **Award email**
- **Grant Agreement Cover Sheet (CalRecycle 110)**
- **Exhibit A: Terms and Conditions**

- **Exhibit C: Grantee's approved application with revisions, if any, and any amendments**
- **e-Signature Instructions for Awardees**
 - Contains instruction on how to sign the Grant Agreement Cover Sheet using Adobe Sign

Reporting Process

CalRecycle requires grantees to report on the progress of their grant on a yearly basis. The Procedures and Requirements document contains detailed reporting information and deadlines.

Payment Request Process

CalRecycle will retain 10 percent of each approved Payment Request amount until the Grant Manager approves the Final Report, the final Payment Request, and all required supporting documentation. The Procedures and Requirements document contains detailed payment information.
