Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and Grants Management System. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

Accessing the Grant

Grantees must [log in to GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After logging in, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab:** Shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab:** Grantee requests reimbursement.
- **Reports tab:** Grantee uploads required reports.
- **Documents tab:** Grantee uploads all other grant documents that are not supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.
- **Sites tab:** Shows approved project sites.

Follow the instructions in GMS to work in the system. The following sections describe the reports, transactions, and supporting documents CalRecycle requires.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the “Allow Access” check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

Prior to Commencing Work

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor or subcontractor to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor or subcontractor, signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor or subcontractor. The grantee must submit this form for each contractor and subcontractor working under the grant.

If a contractor or subcontractor is placed on the [CalRecycle Unreliable Contractor List](https://www.calrecycle.ca.gov/Funding/Unreliability/) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate the contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's Grant Forms web page](https://www.calrecycle.ca.gov/Funding/Forms/) (<https://www.calrecycle.ca.gov/Funding/Forms/>).

The grantee must upload a scanned copy of each signed Reliable Contractor Declaration form in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

Grant Term

The Grant Term begins on the date of the Notice to Proceed (NTP) email, which is the formal notification from CalRecycle authorizing the grantee to begin the grant project and ends on September 30, 2025. The grantee must make all grant-eligible program expenditures and incur all grant-eligible costs within this period. Expenditures made or costs incurred prior to the NTP date or after the end date are not eligible for reimbursement.

The Final Report and final Payment Request are due on September 30, 2025. CalRecycle recommends reserving the period from September 1, 2025 to September 30, 2025 exclusively for the preparation of the Final Report and final Payment Request, though they may be completed earlier. **Costs incurred to prepare the Final Report and final Payment Request are only eligible for reimbursement during the Grant Term.**

Eligible Costs

Grantees may incur eligible costs only during the Grant Term, which starts when the grantee receives a Notice to Proceed from CalRecycle and ends on September 30, 2025. See “Grant Term” for additional information. All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget. To be eligible for reimbursement, costs must be incurred after receiving a Notice to Proceed and before the end of the Grant Term. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

Eligible costs are limited to the following:

- Implementation of sustainable EPR collection opportunities, to include but not limited to:
 - Promotion of an ongoing retail take-back program such as batteries or fluorescent lamps at local hardware stores, businesses, or government facilities.

- Project to:
 - Determine and implement the safest and cost-effective methods for collecting propane gas cylinders and/or marine flares.

This includes promoting, handling, permitting, and disposal costs for the following, except for those materials that are currently covered by another recycling/collection program (e.g. [covered electronic waste](https://www.calrecycle.ca.gov/Electronics/RegInfo) [https://www.calrecycle.ca.gov/Electronics/RegInfo], cell phones, thermostat, etc.):
 - [Common HHW materials](https://dtsc.ca.gov/universalwaste/household-hazardous-waste/) (https://dtsc.ca.gov/universalwaste/household-hazardous-waste/) and [universal waste](https://www.dtsc.ca.gov/HazardousWaste/UniversalWaste/) (https://www.dtsc.ca.gov/HazardousWaste/UniversalWaste/)

Indirect Costs

Indirect costs can be claimed by the Grantee. The following guidelines must be used when claiming these costs.

- The total amount of indirect costs charged to the grant shall not exceed 10 percent of the grant funds reimbursed. These costs are expenditures not capable of being assigned or not readily itemized to a particular project or activity but considered necessary for the operation of the organization and the performance of the program. The costs of operating and maintaining facilities, accounting services, and administrative salaries as well as contractor's indirect costs in their contracts, are examples of indirect costs. All indirect costs charged to the grant must be associated with grant activities as shown in the approved Budget.
- Direct costs charged directly to the grant shall not be included in the indirect cost formula. Supervision performed by managers and supervisors can be included in the indirect cost formula, and therefore, will not be a direct charge to the grant. On the other hand, if a manager or supervisor performs an activity that is directly related to the execution of the grant (not supervision), costs associated with this activity may be included as a direct charge. Such

activity must be clearly supported by appropriate documentation and shall not be charged to the grant as indirect cost.

- The grantee must maintain organized and accurate records that follow generally accepted accounting principles and leave an audit trail. The grantee must provide access to all documents related to the grant program and fiscal operation of the grant program as deemed necessary by CalRecycle.

If you are uncertain whether a given cost is considered an indirect cost, contact the Grant Manager.

Modifications

The grantee must submit any proposed revision(s) to the Work Plan and/or Budget in writing to the Grant Manager. The grantee may not incur costs or make expenditures based on the revision without first receiving the Grant Manager's written approval. Proposed revisions must be clearly marked on the Work Plan and/or Budget document and must be accompanied by a summary of proposed changes or modifications, including justification for the proposed changes. If approved, the grant manager will upload the final revised Work Plan and/or Budget to GMS and notify the grantee. The grantee may submit proposed revisions in conjunction with a Progress Report but they cannot be submitted as part of the Progress Report. The grantee should retain the approval document(s) for audit purposes. See the "Audit Record/Access" section of the Terms and Conditions (Exhibit A).

Acknowledgements

The grantee shall acknowledge CalRecycle's support each time a project funded, in whole or in part, by this Agreement is publicized in any medium, including news media, brochures, or other types of promotional materials. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

Publicity and Education

The following items require acknowledgement of funding from CalRecycle and pre-approval from the CalRecycle Grant Manager prior to incurring the expense:

- All television, radio and video scripts
- Functional premiums, if the per unit price is greater than \$6.00
- Advertisements
- Audio and/or visual material
- Brochures

 - There are two acceptable Spanish translations: "Financiado por una beca del CalRecycle" or "Patrocinado por fondos del CalRecycle." For other

languages, the Grantee must work with a certified translator or person fluent in reading and writing that language. All exceptions must be pre-approved in writing by the CalRecycle Grant Manager.

3. A list of HHW collection sites within the targeted community with a local telephone number or website to obtain further information on local collection centers. (Use the 1-800-CLEANUP number or [Earth911 website](http://search.earth911.com/) (<http://search.earth911.com/>) if your jurisdiction does not maintain its own 24-hour hotline.)
4. Press Releases – the only requirement is to place the name of “CalRecycle” as an acknowledgement in the body of the release.

Graphics

[HHW-related graphics](https://www.calrecycle.ca.gov/UsedOil/Graphics/HHWArt/) (<https://www.calrecycle.ca.gov/UsedOil/Graphics/HHWArt/>) are available for use. For large equipment, a [CalRecycle bumper sticker](http://www.calrecycle.ca.gov/UsedOil/Graphics/#Bumper) (<http://www.calrecycle.ca.gov/UsedOil/Graphics/#Bumper>) “Equipment funded by a grant from CalRecycle” is available and is required to be affixed to all large pieces of equipment purchased with grant funds. These can be requested from your grant manager when available. When submitting the Final Report, a photograph of this equipment should include the affixed sticker.

Retention of Public Education

For audit purposes, grantees are required to retain samples of all publicity and education materials for three years AFTER the close of the Grant Term, or a longer period if warranted to resolve any issues with this grant. (See Audit/Records Access Section in Terms and Conditions, Exhibit A.)

Reporting Requirements

The Grant Agreement requires two Progress Reports and a Final Report; however, the Grant Manager may require additional Progress Reports at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

The grantee must upload all reports in GMS. For further instructions regarding GMS, including login directions, see the “Grants Management System” section (above).

To upload a report:

The reports must be current, include all required sections and documents, and must be approved by the Grant Manager before any Payment Request can be processed.

Failure to comply with the specified reporting requirements may be considered a breach of the Grant Agreement and may result in the termination of the Grant Agreement, rejection of the Payment Request, and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. The grantee must report any problems or delays immediately to the Grant Manager.

Electronic and Original Signatures

CalRecycle now allows for certified e-Signature or original wet signature on documents or forms that certify legally binding information.
