

Carpet Stewardship Program Advisory Committee Member Disclosures – Updated August 2023

As described within the Code of Conduct, in an effort to maintain transparency, advisory committee members are required to disclose to CalRecycle whether they have any private or personal interests that may be affected by the carpet stewardship program. These may include, but are not limited to, a contractual relationship with or receipt of grant awards or other funding from CARE, employment with an entity participating in the program, or any other interest the member deems pertinent. Members must disclose such interests to CalRecycle and update their disclosures to ensure they remain accurate at all times. All member disclosures will be posted on CalRecycle’s website and shall be referred to in advisory committee agendas and meeting minutes.
