Re: CalRecycle's Completeness Determination of UltiMed's Annual Program Budget

Dear Mr. Erickson:

The Department of Resources Recycling and Recovery (CalRecycle) received UltiMed, Inc's (UltiMed) annual program budget, titled, *Pharmaceutical and Sharps Waste Stewardship Annual Program Budget* on June 2, 2022. Title 14, California Code of Regulations (14 CCR) section 18973.1(b) requires CalRecycle to determine if the annual program budget is complete and notify UltiMed of its determination within 30 days of receipt.

Staff reviewed UltiMed's annual program budget for completeness pursuant to the requirements in the Public Resources Code (PRC) section 42033.2(a)(2) and 42033.2(c) and 14 CCR sections 18973.1(b) and 18973.6 and found the annual program budget is complete. This completeness determination is separate from the compliance determination CalRecycle will now conduct (see 14 CCR sections 18973.1(d) through (f)). CalRecycle has 90 days from the date of the annual program budget submittal (i.e., August 31, 2022) to review for compliance with all statutory and regulatory requirements and approve, conditionally approve, or disapprove the annual program budget.

Questions regarding this letter may be directed to pharmasharps@calrecycle.ca.gov.
