

EXHIBIT D

SPECIAL TERMS AND CONDITIONS FOR INTERAGENCY AGREEMENTS (Rev. November 2022)

1. **AMENDMENT**: No amendment or variation of the terms of this Agreement shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or Agreement not incorporated in the Agreement is binding on any of the parties. This Agreement may be amended, modified or augmented by mutual consent of the parties, subject to the requirements and restrictions of this paragraph.
2. **DELIVERABLES**: All documents and/or reports drafted for publication by or for CalRecycle in accordance with this contract shall adhere to CalRecycle's Contractor Publications Guide at www.calrecycle.ca.gov/Contracts/PubGuide/ and shall be reviewed by CalRecycle's Contract Manager in consultation with a CalRecycle editor.

For contracts of \$5,000 or more, any document or written report prepared for or under the direction of CalRecycle, shall include a notation on the inside cover as follows:

"Prepared as part of CalRecycle contract number (Insert), Total Contract Amount \$(Insert), pursuant to Government Code Section 7550."

3. **ENVIRONMENTAL JUSTICE**: In performance of this Agreement, the Contractor shall conduct its programs, policies, and activities that substantially affect human health or the environment in a manner that ensures the fair treatment of people of all races, cultures, and income levels, including minority populations and low-income populations of the State. (Gov. Code, § 65040.12(e).)
4. **EXECUTIVE ORDER N-6-22 – RUSSIA SANCTIONS**: On March 4, 2022, Governor Gavin Newsom issued Executive Order N-6-22 regarding Economic Sanctions against Russia and Russian entities and individuals. "Economic Sanctions" refers to sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. By submitting a bid or proposal, the Contractor represents that it is not a target of Economic Sanctions. Should the State determine that the Contractor is a target of Economic Sanctions or is conducting prohibited transactions with sanctioned individuals or entities, that shall be grounds for rejection of the Contractor's bid/proposal any time prior to contract execution, or, if determined after contract execution, shall be grounds for termination by the State.
5. **HEALTH AND SAFETY**: Contractors are required to, at their own expense, comply with all applicable health and safety laws and regulations. Upon notice, Contractors are also required to comply with CalRecycle's specific health and safety requirements and policies. Contractors agree to include in any subcontract related to performance of this Agreement, a requirement that the subcontractor comply with all applicable health and safety laws and regulations,

and upon notice, CalRecycle's specific health and safety requirements and policies.

6. INTELLECTUAL PROPERTY: CalRecycle shall exclusively own all intellectual property rights in and to all work product, including, but not limited to, writings, ideas, inventions (whether patentable or not), discoveries, research, proposals, and all other results and work product of any nature whatsoever, that is created, authored, produced, conceived, or reduced to practice in the course of the performance of this Agreement. Such intellectual property rights, whether registered or unregistered, and including all applications for and renewals or extensions thereof, shall include, but are not necessarily limited to copyrights; trademarks, service marks, trade dress, trade names, logos, and domain names, together with all of the goodwill associated therewith; and patents. The Contractor agrees, and shall cause all of its relevant personnel, including all employees, agents, subcontractors, and other personnel participating in any way in the creation or achievement of such work product, to agree, that any such work product that may qualify as "work made for hire" pursuant to 17 U.S.C. § 101 is hereby deemed a "work made for hire" for CalRecycle. To the extent that any of the work product does not constitute a "work made for hire" for CalRecycle, Contractor hereby irrevocably assigns to CalRecycle, and shall cause such personnel to irrevocably assign to CalRecycle, in each case without additional consideration, all rights, title, and interest throughout the world in and to the work product, including all intellectual property rights therein. Upon request of CalRecycle, the Contractor shall promptly take, and shall cause its relevant personnel to promptly take, such further actions, including execution and delivery of all appropriate instruments of conveyance, as may be necessary to assist CalRecycle to prosecute, register, perfect, or record its rights in or to any such work product.
7. RECYCLED-CONTENT CERTIFICATION AND REPORTING: Contractors shall certify in writing, under penalty of perjury, to CalRecycle, the minimum, if not the exact, percentage of postconsumer and secondary material in the products, materials, goods, or supplies purchased with contract dollars (PCC§ 12205(a).) This certification shall be provided to CalRecycle as supporting documentation submitted with every invoice on the Recycled Content Certification Form (Exhibit D, Attachment 1), also available at: <https://calrecycle.ca.gov/Contracts/Forms/> CalRecycle will report these purchases in its annual State Agency Buy Recycled Campaign (SABRC) Procurement Report; therefore, to avoid double counting these purchases, the Contractor should not include these purchases on their SABRC Procurement Report that is submitted to CalRecycle [if the contractor is required to submit a report].
8. RECYCLED-CONTENT PRODUCT PURCHASING: In the performance of this Agreement, the Contractor shall purchase used and/or recycled-content products as set forth on the back of the Recycled-Content Certification Form (Exhibit D, Attachment 1). For assistance in locating recycled-content products, please search the recycled-content product database available at: www.calrecycle.ca.gov/rcpm. If after searching the database, contractors are

unable to find the recycled-content products they are looking for, please notify CalRecycle's Contract Manager. All recycled content products purchased or charged/billed to CalRecycle that are printed upon such as promotional items, publications, written materials, and other educational brochures shall have both the total recycled content (TRC) and the post-consumer (PC) content clearly printed on them.

- In addition, any written documents such as, publications, letters, brochures, and/or reports shall be printed double-sided on 100% post-consumer (PC) paper. Specific pages containing full-color photographs or other ink-intensive graphics may be printed on photographic paper. The paper should identify the post-consumer recycled content of the paper (i.e., "printed on 100% post-consumer paper"). When applicable, the Contractor shall provide the Contract Manager with an electronic copy of the document and/or report for CalRecycle's uses. When appropriate, only an electronic copy of the document and/or report shall be submitted and no hard copy shall be provided.
9. SUBCONTRACTING: All subcontracting must comply with the requirements of the State Contracting Manual, Section 3.06.
 10. TERMINATION: CalRecycle shall have the right to terminate this Agreement at its sole discretion at any time upon thirty (30) days written notice given to the Contractor. In the case of early termination, a final payment will be made to the Contractor upon approval by the Contract Manager of a financial report, invoices for costs incurred to date of termination and a written report describing all work performed by the Contractor to date of termination.
 11. WASTE REDUCTION: In the performance of this Agreement, the Contractor shall take all reasonable steps to ensure that materials purchased or consumed in the course of the project are utilized both effectively and efficiently to minimize the generation of waste. The steps should include, but not necessarily be limited to, the use of reusable products, the use of recyclable and compostable products, discretion in the amount of materials used, the provision of alternatives to disposal for materials consumed, and the practice of other waste reduction measures where feasible and appropriate.
