Internship Program	18

Introduction

The Department of Resources Recycling and Recovery (CalRecycle) seeks to broaden the impact of the Local Waste Tire Enforcement Grant Program beyond existing grantees to unserved jurisdictions and create a career pathway for Local Conservation Corps members. The purpose is to establish an internship program under an existing Local Government Waste Tire Enforcement (TEA) Grant Program grantee in coordination with a Local Conservation Corps grantee and an unserved neighboring jurisdiction.

In TEA30, one Pilot Internship Program supplemental grant will be provided for a maximum of \$350,000. Applicants for a supplemental grant shall apply as the Lead applicant in a collaborative application with a participating jurisdiction. A separate detailed and justified budget is required with the application. The budget document will be provided by CalRecycle.

The awarded grantee will use the supplemental grant to implement a one-year internship program to employ one professional inspector who will be the trainer/supervisor and two Local Conservation Corps member interns to assist with conducting TEA grant activities in the participating jurisdiction that is not currently served by a TEA grant.

These Procedures and Requirements describe project and reporting requirements, report due dates, report contents, grant payment conditions, eligible and ineligible project costs, project completion and closeout procedures, and records and audit requirements.

This document is attached to, and incorporated by reference, into the Grant Agreement.

Milestones

June 30, 2023: Grant Term and Grant Performance Period Begin

February 26, 2024: Mid-year Progress Report and Payment Request Due

June 29, 2024: Grant Performance Period Ends

June 30, 2024–September 30, 2024: Report Preparation Period

September 30, 2024: Final Report and Final Payment Request Due

September 30, 2024: Grant Term End

Grants Management System (GMS)

GMS is CalRecycle's web-based grant application and Grants Management System. Access to GMS is secure; grantees must log in using a WebPass. WebPass accounts are tied to a specific email address. If an email address changes, or if it becomes inactive, the grantee must create a new WebPass account to continue accessing GMS. Establish or manage a WebPass at [CalRecycle's WebPass page](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

Accessing the Grant

Grantees will use the existing TEA30 grant account for the management of the supplemental grant. Grantees must [log in to GMS](https://secure.calrecycle.ca.gov/Grants) (<https://secure.calrecycle.ca.gov/Grants>) using their web pass. After logging in, locate the grant in the **My Awarded/Open Grants** table and select the **Grant Management** link. The **Grant Management Module** includes the following sections:

- **Summary tab:** Shows approved budget, paid and remaining amounts. (This section is available to the grantee in read-only mode.)
- **Payment Request tab:** Grantee requests reimbursement.
- **Reports tab:** Grantee uploads required reports.
- **Documents tab:** Grantee uploads all other grant documents that are not supporting documents to a payment request or a report. This section also provides access to documents that were uploaded within other sections of GMS.

Follow the instructions in GMS to work in the system. The following sections describe the reports, transactions, and supporting documents CalRecycle requires.

Contact Updates

Access to the grant is limited to those listed in the **Contacts** tab of the **Application Module** with the “Allow Access” check box marked. A contact may be listed but not granted access by not checking the box. Please note, if a contact is granted access to a grant they will be able to edit contacts, submit payment requests, upload reports, and view all documents. Those with access may update contact information for all contact types except Signature Authority. Email the assigned Grant Manager regarding any changes to Signature Authority information.

Prior to Commencing Work

Prior to commencing work under this grant, the grantee's Grant Manager or primary contact and authorized grant Signature Authority should review the Terms and Conditions (Exhibit A) and the Procedures and Requirements (Exhibit B) to identify key grant administrative requirements. Evaluation of the grantee's compliance with these requirements is a major focus of grant audits.

Reliable Contractor Declaration

Prior to authorizing a contractor or subcontractor to commence work under this grant, the grantee shall submit to the Grant Manager a declaration from the contractor or subcontractor, signed under penalty of perjury, stating that within the preceding three (3) years, none of the events listed in [section 17050 of Title 14](https://www.calrecycle.ca.gov/Laws/Regulations/Title14/) (<https://www.calrecycle.ca.gov/Laws/Regulations/Title14/>), California Code of Regulations, Natural Resources, Division 7, has occurred with respect to the contractor or subcontractor. The grantee must submit this form for each contractor and subcontractor working under the grant.

If a contractor or subcontractor is placed on the [CalRecycle Unreliable Contractor List](https://www.calrecycle.ca.gov/Funding/Unreliability/) (<https://www.calrecycle.ca.gov/Funding/Unreliability/>) after award of this grant, the grantee may be required to terminate the contract. Obtain the Reliable Contractor Declaration form (CalRecycle 168) from [CalRecycle's Grant Forms web page](https://www.calrecycle.ca.gov/Funding/Forms/) (<https://www.calrecycle.ca.gov/Funding/Forms/>).

The grantee must upload a scanned copy of each signed Reliable Contractor Declaration form in GMS. To upload the form:

1. Go to the **Reports** tab.
2. Click on **Reliable Contractor Declaration** under **Report Type**.
3. Click the **Add Document** button.
4. Select Reliable Contractor Declaration in the **Document Type** drop down box, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
5. Click on the **Submit Report** button.

For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

Grant Term, Grant Performance Period, and Report Preparation Period

The Grant Term begins on June 30, 2023 and ends on September 30, 2024. The grantee must make all grant-eligible program expenditures and incur all grant-eligible costs within this period. Expenditures made or costs incurred prior to June 30, 2023, the date of the NTP email, or after the end date are not eligible for reimbursement. Most costs are further limited during the Report Preparation Period (below).

The Grant Performance Period begins on June 30, 2023 and ends on June 29, 2024.

The Report Preparation Period is from June 30, 2024 to September 30, 2024. **Costs incurred to prepare the Final Report and final Payment Request are the only costs that are eligible for reimbursement during the Report Preparation Period.**

The Final Report and final Payment Request are due on September 30, 2024.

Eligible Costs

Grantees may incur eligible costs only during the Grant Term, which starts on June 30, 2023 and ends on September 30, 2024. (See “Grant Term, Grant Performance Period, and Report Preparation Period” for additional information). All grant expenditures must be for activities, products, and costs specifically included in the approved Work Plan and approved Budget, activities approved by CalRecycle or activities that are conducted in compliance with criteria and timelines detailed within the CalRecycle Waste Tire Enforcement Manual. To be eligible for reimbursement, costs must be incurred after June 30, 2023 and before the end of the Grant Term. All services must be provided and goods received during this period in order to be eligible costs. Invoices for goods and services must be paid by the grantee prior to the inclusion of those goods or services on a payment request.

No expenses may be incurred under the Pilot Internship grant prior to June 30, 2023 or after September 30, 2024. The Performance Period ends on June 29, 2024. Under no circumstances may the grantee incur expenses under this supplemental grant until a resolution from the collaborating county is received and approved by CalRecycle.

Percentage caps will not be required on the categories below, with the exception of Indirect Costs which are calculated against the total Direct Costs included in the Budget.

The total grant funds expended in any category shall not exceed the approved budget without an approved budget modification.

Eligible costs are limited to the following:

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

Administrative Costs

Eligible administrative costs are limited to:

- Eligible administrative costs include personnel time for which there is a direct and demonstrable link to implementation of the TEA supplemental grant.
- Administrative functions for which there is a direct and demonstrable link to implementation of the TEA supplemental grant.

Examples of eligible activities include:

- Preparation and submittal of Progress Reports, Payment Requests, and required documents.
- Grant-related communication.
- Compliance activities related to performance evaluation or audits.
- Development and maintenance of a system to track grant costs.
- TEA supplemental grant personnel administration.
- Preparation and submittal of the next TEA supplemental grant cycle application.

Education

Eligible education activities and costs include:

- Eligible education costs include personnel time, and reproduction of educational materials for the purpose of educating waste tire generators and haulers about laws and regulations related to waste tire management.

Examples of eligible activities include:

1. Obtaining Waste Tire Management System (WTMS) reports of newly issued Tire Program Identification (TPID) numbers.
2. Printing and distributing [CalRecycle Tire Program Educational Brochures](https://www2.calrecycle.ca.gov/Docs/Web/111237) (https://www2.calrecycle.ca.gov/Docs/Web/111237) when conducting educational visits for TPID numbers.
3. Informing businesses and business owners/operators about applicable waste tire laws and regulations and available compliance resources.
4. Providing tire-related education to [Local Conservation Corps](https://www.calrecycle.ca.gov/Funding/LocalCC/) (https://www.calrecycle.ca.gov/Funding/LocalCC/).
5. Providing other outreach activities requested by CalRecycle.

Enforcement

Enforcement Actions and Surveillance

Eligible enforcement and surveillance activities include steps taken beyond normal inspection activities to identify illegal waste tire activity and collect evidence as defined below.

1. Eligible, enforcement and surveillance activities **must** be directly related to identifying, researching, surveilling, investigating, and/or documenting at least one of the following issues:
 - Illegal (unpermitted) waste tire storage sites and activities with 500 or more waste tires.
 - Individuals responsible for illegal dumping of waste tires.

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

- Private property on which illegal dumping of waste tires is occurring or has occurred with 500 or more waste tires.
 - i. **Note:** (Private property with more than 500 illegal stored waste tires must be referred to CalRecycle for enforcement prior to seeking remediation.)
 - Unregistered waste tire haulers hauling 10 or more waste or used tires.
2. Eligible enforcement and surveillance activities may include the following activities:
- Coordinating and working with CalRecycle, the California Highway Patrol, local District Attorney (DA), task forces, other TEAs, and local law enforcement on:
 - Gathering and sharing of information and resources.
 - Providing training to local law and code enforcement personnel within the TEA jurisdiction to encourage referrals or citations.
 - Establishing and conducting checkpoints to identify unregistered waste tire haulers.
 - Attending administrative, court and/or CalRecycle hearings and supporting case development.
 - Assisting CalRecycle with investigations and referrals by:
 - Making waste tire enforcement referrals, as approved or required.
 - Investigating waste tire referrals, complaints, violations, discrepancies, and legal records searches, etc., as requested.
 - Obtaining inspection warrants and other warrants as needed in participation with local law enforcement activity.
 - Performing interviews and field investigations to develop enforcement cases.
 - Research databases and document past enforcement activity.
 - After appropriate enforcement and surveillance, coordinating with other agencies to remediate environmental damage due to illegal dumping and storage of waste tires, including:
 - Reviewing of regulations and procedures.
 - Coordinating with Local Conservation Corps for cleanups, and other related activity.
 - Coordinating with CalRecycle for cleanup and lien options.
 - Record Keeping
 - Producing and maintaining documents and files to track waste tire enforcement-related activities.
3. Grantees must report enforcement and surveillance activities to the CalRecycle Inspection Liaison as follows:
- Report within 15 calendar days all enforcement actions on waste tire-related cases, including any referrals to the DA's Office and any actions taken by the DA's Office on waste tire-related cases.
 - Report within 15 calendar days all waste tire enforcement referrals, as approved or required. See Inspection section below.

Field Patrolling and Small Tire Pile Cleanup

Field Patrolling and Small Tire Pile Cleanup may not exceed 15 percent of the total approved Budget. Field Patrolling must be productive. Unproductive Field Patrolling, such as visiting the same locations more than once per quarter for observation, may be ineligible for reimbursement. Eligible field patrolling activities and costs are limited to:

- Preparation and planning of field patrol.
- Follow-up on illegal dumping complaints and referrals.
- Patrolling locations with known illegal waste tire dumping once per quarter.
- Cleanup of small tire piles on public land with 35 or fewer waste tires including disposal fees.

Indirect Cost

Indirect Cost Allocation Plan

Grantees shall allocate Indirect Costs according to the jurisdiction's Cost Allocation Plan (CAP) methodology submitted with the application and must adhere to Generally Accepted Accounting Principles (GAAP).

Budgeting for Indirect Costs:

Multiply the total of all direct charges by 20% to find the maximum indirect cost allocation allowed.

How to charge Indirect Costs:

A grantee may charge the agency's full indirect cost rate, but only until the approved Indirect Cost line item allocation is exhausted.

Inspections - Priorities and Eligible Activities

Inspections are the core component of the grant. Inspections are to be conducted according to the quality standards as outlined in the **CalRecycle Waste Tire Enforcement Manual** in order to be eligible for reimbursement. Actual personnel hours must be documented by TPID and back-up is to be maintained according to the Terms and Conditions, Audit/Records Access provision on page 2. See further guidance in the Personnel Hours section.

Grantees shall inspect locations with TPID numbers assigned in the Inspection Priority Work Plan provided by CalRecycle.

Eligible inspection activities are listed below:

1. Inspector time physically inspecting a TPID is in compliance with the CalRecycle Waste Tire Enforcement Manual and the Inspection Priority Work Plan.
2. Identifying new TPID numbers using WTMS to generate reports.

3. Pre-inspection planning.
4. Post-inspection reporting and follow-up.
5. Communicating with facility staff or owners before or after an inspection.
6. Travel time to-and-from inspections.
7. Physically inspecting the TPID number locations, taking photographs, interviewing personnel, writing and submitting complete and correct inspection reports.

Note: Non-physical inspections may be allowed under emergency and extenuating circumstances with prior approval from CalRecycle.

8. Only Inspections at the following frequencies are eligible:
 - Only one routine inspection is allowed per active TPID.
 - A maximum of two re-inspections may be performed per active TPID if a NOV was documented during the original routine inspection.
 - Only one observation inspection may be performed, as described in the CalRecycle Waste Tire Enforcement Manual, per active TPID.
 - Only one educational inspection may be performed per each active, new, never-inspected TPID within the grant performance period.

Operational Costs

Equipment, materials and supplies necessary to perform eligible waste tire activities under the TEA supplemental grant are eligible for reimbursement.

Where equipment is utilized for the purposes of more than one program, costs charged to the TEA supplemental grant must be allocated proportionate to actual use.

1. Examples of eligible equipment include:
 - Personal Protective Equipment: including boots, reflective vests or logo/identifying windbreakers, hard hat/sun hat, gloves, face masks, safety glasses.
 - Field equipment: including measuring devices, GPS, binoculars, camera and accessories, clipboards.
 - Cell phones, mobile Wi-Fi hotspots and cell service.
 - Computers or tablets, and related standard accessories.

Partnerships

This category is reserved to budget the costs for the Pilot Internship Program. Costs for employment, training, and support of one inspector and two interns are reimbursable under this category to conduct TEA activities in a neighboring jurisdiction as documented in a collaborative resolution. Indirect costs are calculated on the main budget that includes this category and not on the supplemental grant budget.

The total cost allocated to this line item must be detailed and justified in the Budget document submitted with the application. Eligible costs under this category must be documented in a Scope of Work using the CalRecycle template provided in the Summary Tab in GMS for download. Eligible costs may include:

- Admin
- Education

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

- Enforcement and Surveillance
- Inspections
- Operational
- Training
- Transportation

Training

Training is reimbursable for tire enforcement staff, supervisors and other staff who work directly on grant activities. In-house training is to be charged under the applicable budget category (i.e., inspection training is charged under the inspection budget). A training program must be planned, implemented, and documented by the supervising inspector.

Unless otherwise approved, grantee training requirements and eligibility are as follows:

1. Grantee must maintain and provide to CalRecycle a list of interns, inspectors and lead inspectors, their qualifications, and the amount time they are committed to the Program (i.e., percentage or quantity of inspections).
2. All interns and inspectors must be trained and approved by CalRecycle prior to conducting eligible inspections. Existing inspectors may be approved by CalRecycle without additional training.
3. **Mandatory training** activities include:
 - New inspector inspection training (must be provided by CalRecycle)
 - CalRecycle-sponsored Waste Tire Round Tables¹
 - WTMS Training¹
 - Technical Training Series¹
 - i. Only 8 hours per day are eligible for reimbursement
 - Grant Administration Training
 - Other mandatory training as required by CalRecycle
4. Eligible **non-mandatory training** includes:
 - Meetings, training or conferences requested by CalRecycle
 - Coordinating and hosting CalRecycle-sponsored training events
 - CalEPA sponsored Enforcement Symposium
 - Basic Inspector Academy
 - Conducting Effective Interviews for Inspectors
 - Environmental Enforcement Training
 - Basic and refresher health and safety related classes, including Hazardous Waste Operations and Emergency Response (HAZWOPER)
 - Hauler Training
 - Specific training approved in the Budget or that are pre-approved in writing by the Grant Manager
5. When multiple sessions of a training event are scheduled, grantees must attend the session closest to their location. Exceptions must be justified and pre-approved by the Grant Manager.

¹Grantee must send at least one inspector to each of these events.

6. If attending an event with multiple subjects of which only part is related/beneficial to waste tire enforcement, the portion of the training and travel costs charged to the TEA supplemental grant must be proportional to the class time devoted to waste tire enforcement.

Transportation

Eligible transportation costs **are those which are necessary** to perform TEA supplemental grant activities in the approved budget.

Any activities/costs not specifically listed below must be pre-approved in writing by the Grant Manager to be reimbursable. The following activities/costs are eligible:

- **Use of grantee-owned or personal vehicles (mileage).** Grantees may claim vehicle usage costs based upon actual mileage of the grantee or the state mileage rate, whichever is less.
- **Travel and Travel Expenses.** All travel costs must be in accordance with the [California State Travel policies](http://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx) (<http://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx>). Reimbursable mileage and other travel expenses (per diem) may not exceed the state rates as set forth in the State Administrative Manual. Documentation submitted for travel reimbursement must include departure and return times and dates.

Ineligible Costs

Any costs not specifically included in the approved Budget and not directly related to the TEA Pilot Internship Program and the approved grant project are ineligible for reimbursement. The grantee should contact the Grant Manager if clarification is needed. Ineligible costs include, but are not limited to:

- Costs incurred prior to June 30, 2023 or after September 30, 2024.
- Personnel costs charged as a flat rate for grant activity. Only actual personnel hours may be reimbursed and must be backed up by timesheets or other time accounting practices.
- Performance Costs incurred outside the Performance Period, prior to June 30, 2023 or after June 29, 2024.
- Reporting Costs incurred after September 30, 2024.
- Printing materials for education other than the CalRecycle brochures.
- Unapproved training costs.
- Food (except for meals when travelling to approved training according to State per diem rates and restrictions).
- Out of state travel.
- Field Patrolling and Small Tire Pile Cleanup
- Ineligible inspection activities include inspections of the following: (except as otherwise pre-approved in writing or requested by the CalRecycle Inspector Liaison.) **Note:** If you find a TPID number has been included on your work plan that you believe is ineligible based on the following or other factors, **do not inspect it**. Contact your CalRecycle inspector liaison first for confirmation or written approval to proceed:
 - Locations where the TPID number does not have a site (physical) address in the grantee's jurisdiction or is located at an address that is not listed in WTMS.
 - Closed TPID numbers (refers to the TPID Site Status in WTMS)

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

- Inspections that are not approved for payment by the CalRecycle Liaison.
 - Inspections of Permitted Major or Minor Waste Tire Facilities unless invited to participate with a CalRecycle Inspector.
 - Inspections of previously inspected Small Quantity Generators (SQG) unless the TPID is on the Priority Work Plan, or pre-approved by the CalRecycle Liaison. (SQG refers to the TPID number's Site Role identified in the WTMS.)
- Activity on Farm/Ranch/Dairy/Ag Sites.
 - Activity on Tribal Lands.
 - Costs incurred under the Pilot Internship Program before a collaborative county resolution is submitted and approved by CalRecycle.
 - Except for training, costs incurred under the Pilot Internship grant for inspections or enforcement activities that are conducted within the host grantee's jurisdiction.

Bids

- Bids **must** be obtained for purchases \$5,000 and higher when:
 - Making a single purchase from any vendor for products or services to the main agreement where the charge to the grant funds is \$5,000 or higher.
 1. There are multiple bona fide vendors for the service/product to be purchased.
 2. At the beginning of a contract cycle when the cost of the contract billed to the grant is \$5,000 or higher. After a contract bid is accepted according to the requirements of the Grant Agreement, the contract need not be rebid until the end of the contract term is reached.
 - Bids **need not** be obtained when:
 1. A vendor provides a bid for services that is less than \$5,000 but the actual cost of the job exceeds \$5,000 due to unexpected conditions that require additional labor or materials.

Modifications

The grantee must submit any proposed revision(s) to the Work Plan and/or Budget in writing to the Grant Manager. The grantee may not incur costs or make expenditures based on the revision without first receiving the Grant Manager's written approval. Proposed revisions must be clearly marked on the Work Plan and/or Budget and must be accompanied by a summary of proposed changes or modifications, including justification for the proposed changes. If approved, the grant manager will upload the final revised Work Plan and/or Budget to GMS and notify the grantee. The grantee should retain the approval document(s) for audit purposes. See the "Audit Record/Access" section of the Terms and Conditions (Exhibit A).

To request a budget modification:

- Complete the Budget document with proposed changes.
- Email the budget document as an attachment to the Grant Manager. Include a specific justification for the modifications in the body of the email.
- If the change involves adding a new line item to the budget, a narrative justification must also be included.

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

Acknowledgements

The grantee shall acknowledge CalRecycle's support each time a project funded, in whole or in part, by this Agreement is publicized in any medium, including news media, brochures, or other types of promotional materials. The acknowledgement of CalRecycle's support must incorporate the CalRecycle logo. Initials or abbreviations for CalRecycle shall not be used. The Grant Manager may approve deviation from this requirement on a case-by-case basis where such deviation is consistent with CalRecycle's Communication Strategy and Outreach Plan.

Reporting Requirements

The Grant Agreement requires an Intern Weekly Report, an Internship Summary Report, Progress Report, and a Final Report; however, the Grant Manager may require additional Progress Reports at any time during the Grant Term. Failure to submit the Final Report with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

The grantee must upload all reports in GMS. For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above).

To upload a report:

1. Go to the **Reports** tab.
2. Click on the appropriate Report Type.
3. Click on the **Add Document** button.
4. Choose the Document Type, enter a document title, click the **Browse** button to search and upload the document, and then **Save**.
 - Select the **Back** button to upload another document and continue the process until all required documents as listed below are uploaded.
 - The maximum allowable file size for each document is 35MB.
5. Click the **Submit Report** button to complete your report submittal. The **Submit Report** button will not be enabled until all required reporting documents are uploaded.

The reports must be current, include all required sections and documents, and must be approved by the Grant Manager before any Payment Request can be processed.

Failure to comply with the specified reporting requirements may be considered a breach of the Grant Agreement and may result in the termination of the Grant Agreement, rejection of the Payment Request, and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding. The grantee must report any problems or delays immediately to the Grant Manager.

Electronic and Original Signatures

CalRecycle now allows for certified e-Signature or original wet signature on documents or forms that certify legally binding information.

Note: E-signatures must include the first and last name of the Signature Authority, be in the Adobe Digital ID format (or through another certified digital signature program) and

cannot be the “Fill and Sign” function within Adobe. Any documents using the “Fill and Sign” method is considered incomplete and may be sent back to the grantee.

If you have questions, email grantassistance@calrecycle.ca.gov.

Intern Weekly and Summary Report

Interns must write monthly reports of their activities using a CalRecycle template and submit to their supervisor on a day of the month agreed upon by the interns and their supervisor.

The grantee must provide a summary of the Intern Reports on the tab provided in the Midyear and Final Report spreadsheet, labeled Internship Summary. The Internship Summary must be included with the Midyear Report and with the Final Report and is due on the dates provided below.

Progress Report and Midyear Payment Request

The grantee must submit a **Progress Report** and Midyear Payment Request by **February 26, 2024**. This report should cover grant activities that occurred from June 30, 2023 through **December 31, 2023**.

Final Report

The Final Report is due **September 30, 2024**. This report should cover grant activities **from June 30, 2023 through September 30, 2024**. The grantee must include the following items in the Final Report:

- The Grant Number, grantee’s name, and Grant Term.
- The following disclaimer statement on the cover page:
“The statements and conclusions of this report are those of the grantee and not necessarily those of the Department of Resources Recycling and Recovery (CalRecycle), its employees, or the State of California. The state makes no warranty, express or implied, and assumes no liability for the information contained in the succeeding text.”
- Signed by an Authorized Signatory
- Completed three tabs

Grant Payment Information

- Payment to the grantee for eligible grant expenses is made on a reimbursement basis only, and only for those materials and services specified in the approved grant application.
- The grantee may request reimbursement only twice during the Grant Term. In conjunction with (or after) submission of the Progress Report and in conjunction with the Final Report.
- The grantee must submit the required Progress Report/Final Report prior to, or concurrent with, submission of the Grant Payment Request. No reimbursement is made prior to Grant Manager approval of the report.
- The grantee must submit a completed Grant Payment Request and provide supporting documentation as described in the “Payment Request and Documentation” section for completed project(s) only.

- CalRecycle will make grant payments to only the grantee. It is the grantee's responsibility to pay all contractors and subcontractors for purchased goods and services.
- CalRecycle will withhold and retain 10 percent of each approved Grant Payment Request amount until all conditions stipulated in the Agreement, including submission and Grant Manager approval of the Progress and Final Reports, have been satisfied.
- CalRecycle will make payments to the grantee as promptly as fiscal procedures permit. The grantee can typically expect payment approximately 45 days from the date the Grant Manager approves a Grant Payment Request.
- The grantee must provide a [Reliable Contractor Declaration \(CalRecycle 168\)](https://www2.calrecycle.ca.gov/Docs/Web/111324) (https://www2.calrecycle.ca.gov/Docs/Web/111324) signed under penalty of perjury by the grantee's contractors and subcontractors in accordance with the "Reliable Contractor Declaration" section of the Terms and Conditions (Exhibit A). The declaration must be received and approved by the Grant Manager prior to commencement of work. See the "Reliable Contractor Declaration" section in Terms and Conditions (Exhibit A) for more information.

Payment Request and Documentation

Failure to submit the final Payment Request with appropriate documentation by the due date may result in rejection of the Payment Request and/or forfeiture by the grantee of claims for costs incurred that might otherwise have been eligible for grant funding.

The grantee must submit payment requests in GMS. For further instructions regarding GMS, including login directions, see the "Grants Management System" section (above). To submit a Grant Payment Request:

1. Go to the **Payment Request** tab.
2. Click on the **Create a Payment Request** button.
 - a. Choose **Reimburse** for the **Transaction Type** and enter the amount spent in each budget subcategory.
 - b. When the transaction is complete, click the **Save** button.
 - c. After the transaction is saved, the **Upload Supporting Documents** button will appear in the lower right corner.
3. Click the **Upload Supporting Documents** button.
 - a. Choose the **Document Type**, enter a **document title**, click the **Browse** button to search and upload the document, and then **Save**.
 - b. Select the **Back** button to upload another document and continue this process until all required supporting documents as listed below are uploaded.
 - c. The maximum allowable file size for each document is 35MB.
4. Click the **Submit Transaction** button, located on the transaction page, to complete your payment request. The **Submit Transaction** button will not be enabled until all required supporting documents are uploaded.
 - a. **Note:** Once a transaction is saved, select the transaction number from the **Payment Request** tab to access it again. Please do not create multiple transactions for the same requested funds.

Supporting Documentation

- **Grant Payment Request form** (CalRecycle 87)

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

- A scanned copy with the signature of the signatory or his/her designee, as authorized by grantee's Resolution or Letter of Commitment, must be uploaded to GMS.
 - **Note:** A designee may sign on behalf of the grantee if a) authorized by the Resolution or Letter of Commitment, and b) a Letter of Designation has been provided to the Grant Manager.
- **Cost and Payment Documentation**
 - Proof of payment is required for any equipment expenditures over \$500. Acceptable cost and payment documentation must include at least one of each of the following.
 - Invoices, receipts, or purchase orders must include the vendor's name and telephone number, address, description of goods or services purchased, amount due, and date. The claimed expenses should be highlighted and identified with applicable task number on each invoice.
 - Proof of payment may include:
 - copy of cancelled check(s) that shows an endorsement from the banking institution
 - invoice(s) showing a zero balance, or stamped "paid" with a check number, date paid, and initials
 - accounting system report from local government if it contains the vendor name, date of invoice, invoice number, check number or internal ID, and date amount was paid
 - bank statement(s) along with a copy of the endorsed check or invoice showing the check number
 - copy of an electronic funds transfer confirmation
 - copy of a credit card statement(s)
 - The Grant Manager may require additional cost and payment documentation as necessary to verify eligible costs.
- **Program Specific Forms**
 - Expenditure Itemization Summary (CalRecycle 736)
 - Travel Expense Log Form (CalRecycle 246) for hotel, meals, per diem and other expenses, hotel receipts and other receipts for conference fees, tuition, flight, etc.
 - Certificate of completion for approved non-mandatory training
 - Mileage logs
 - Hourly Rate Document

All forms listed above are available from the [CalRecycle Grant Forms web page \(https://www.calrecycle.ca.gov/Funding/Forms\)](https://www.calrecycle.ca.gov/Funding/Forms).

Personnel Hours

Grantees must detail personnel hours charged to the grant by budget category on the EIS. Grantees must maintain, and provide upon request, detailed timekeeping records of all personnel hours worked on TEA supplemental grant activities including inspection hours by TPID. This documentation must be maintained for three years after the final payment is received for auditing purposes.

For each pay period, the employee's timekeeping document must contain at minimum:

Procedures and Requirements

Local Government Waste Tire Enforcement (TEA) Pilot Internship Grant Program (FY 2022–23)

- Employee name and classification
- Total hours worked and leave taken during the pay period
- Hours worked/leave taken per day
- Description of the activity/task on which the employee worked for each hour worked

Supervision of staff conducting eligible activities constitutes a direct grant cost and is separate from Administrative activities; therefore, grantees may claim, under Inspection and Enforcement categories, a direct supervision time and costs related to that category.

Grantees may calculate an actual/loaded hourly rate for each employee that includes actual salary, wages, shift differentials, and contractual fringe benefits.

Please note: Grantees are cautioned to ensure that costs included in a loaded hourly rate are not duplicated in the Indirect Costs.

Performance Evaluation

The grantee will be evaluated on effectiveness and efficiency in fulfilling the procedures and requirements outlined in this document. The Progress Report and Final Report will collect some of the data for this evaluation. Data collected will assess the quality and efficiency of work completed in all categories, particularly in Inspections, Enforcement, Education, and Field Patrolling. A Report template is provided by CalRecycle and is a requirement. Grantees are mandated to collect and report all required data.

All forms listed above are available from the [CalRecycle Grant Forms web page](https://www.calrecycle.ca.gov/Funding/Forms) (<https://www.calrecycle.ca.gov/Funding/Forms>).

Audit Considerations

The grantee agrees to maintain records and supporting documentation pertaining to the performance of this grant subject to possible audit for a minimum of three (3) years after final payment date or Grant Term end date, whichever is later. CalRecycle may stipulate a longer period of records retention in order to complete any action and/or resolution of all issues which may arise as a result of any litigation, dispute, or audit, whichever is later.

Examples of audit documentation include, but are not limited to, competitive bids, grant amendments if any relating to the Budget or Work Plan, copies of any agreements with contractors or subcontractors if utilized, expenditure ledger, payroll register entries, time sheets, personnel expenditure summary form, travel expense log, paid warrants, contracts and change orders, samples of items and materials developed with grant funds, invoices, and cancelled checks. Please refer to the Terms and Conditions (Exhibit A) for more information.

Internship Program

Need: There are significant areas of the state that are unserved by a local TEA. These include Kern County, San Diego County and San Bernardino County. This puts a strain on the CalRecycle enforcement inspectors who must cover inspections in those areas.

Causes: Kern County and San Diego County dropped out of the program several years ago when CalRecycle put an end to billing using Board of Supervisor rates. More recently, San Bernardino County informed CalRecycle that due to COVID-related staffing shortages, the county will not apply for TEA29 funds. The City of Merced has also notified CalRecycle that they are considering not taking TEA29 funds for the same reasons.

Proposal: CalRecycle would provide small grants using TEA funds to existing grantees beyond the statutory limits on grant amounts. These supplemental grants would fund an internship program for Local conservation Corps members to be trained as waste tire inspectors. Local Conservation Corps waste tire funds could also support wages for the interns. Interns would be under direct supervision of a grant-funded jurisdiction inspector throughout the internship and would at no time be authorized to inspect TPIDs on their own. Approaches would be made to pitch the concept to the following TEAs and Local Corps to establish internships that would cover the following areas:

TEA Hosting Interns	Jurisdictions Covered by Interns	Local Corps
Fresno	City of Merced	Fresno Conservation Corps
City of San Diego	San Diego County jurisdictions not currently part of City of San Diego's joint application	Urban Corps of San Diego County
Riverside County	City of San Bernardino	Urban Corps of the Inland Empire

Key steps to implement:

- Seek legal assessment of the idea
- Create grant agreement language for this special program
- Secure agreements with existing TEAs to host and supervise the interns and make grants
- Secure agreements with LCCs to provide interns
- Secure resolutions from jurisdictions receiving inspection services
- Modify grant documents for TEA30 to include provisions for an internship supplement

Timeline:

- Spring 2022 – Design and document the grant program
- Summer 2022 – Meet with TEAs and LCCs to gain agreements
- Fall 2022 – Establish the necessary language within the TEA30 grant documents. Potential grantees seek resolutions from jurisdictions where interns would be conducting inspections
- Winter 2022-23 – Receive, review, approve applications
- Summer 2023 – Provide funding to establish the internship programs
