"My wife's mom lost her house back during the Boles Fire, so we knew exactly what was going on from the Boles Fire and stuff like that. And it was a good thing to get to you know debris removal, so we didn't have any hesitance because we know that was going to be. One of the things that we got to have done and you know and that's and we had talked to our insurance, so this money is just located just for the debris removal. Hey, that's what it's for that's where we're going to use it for yeah so"
