NOTICE

TO: All Certified Processors and Other Interested Parties

SUBJECT: Statewide Average Monthly Scrap Value Notice for December 2022

California Code of Regulations (CCR), Title 14, Section 2985 (b), requires the Department of Resources Recycling and Recovery to provide written notification of the monthly statewide weighted average scrap values for beverage container material types reported to the department by participating certified processors. In order to keep all participants informed, the department has also chosen to post this notice at the following link:

www.calrecycle.ca.gov/BevContainer/ScrapValue/.

The statewide weighted average scrap values for each beverage container material type; Bimetal, Glass, and #1-7 Plastic are the monthly scrap value purchases reported by participating certified processors. Year-to-date totals for glass are reported at the request of the glass industry.

These data are initial estimates and are subject to future adjustments that will be reflected in subsequent notices. If you have any questions regarding this notice, please contact Brenda Meden at (916) 341-6091 or Brenda.Meden@CalRecycle.ca.gov.
